REALISTIC

**Grad gift suggestion...
portable cassette recorder**

Makes a truly exciting gift! Realistic GTR-40 has a lot of practical uses and at a party it joins in the fun and games! Has Auto-Level — no need for constant sound adjustment. Auto-Stop saves tape, batteries and head. Sensitive built-in condenser mike. There are jacks for aux. earphone, mike and a 12VDC adapter. With AC cord. For portable use it requires 4 "C" batteries (not included). 14-818
