

# Great conveniences that make your life easier!

## Saves steps! 2-station wireless intercom

Saves time! You'll wonder how you ever did without it! Anytime someone in the house is ill, you can keep in constant touch — without making trips to their room! Each station doubles as a night light too! Use the lock-bar for hands-free talking or monitoring. (It's great for hearing the baby at night.) FM and adjustable squelch combine for clear signals. No installation — just plug in and talk! 43-212

## High-performing AM/FM stereo receiver with the look and sound of luxury!

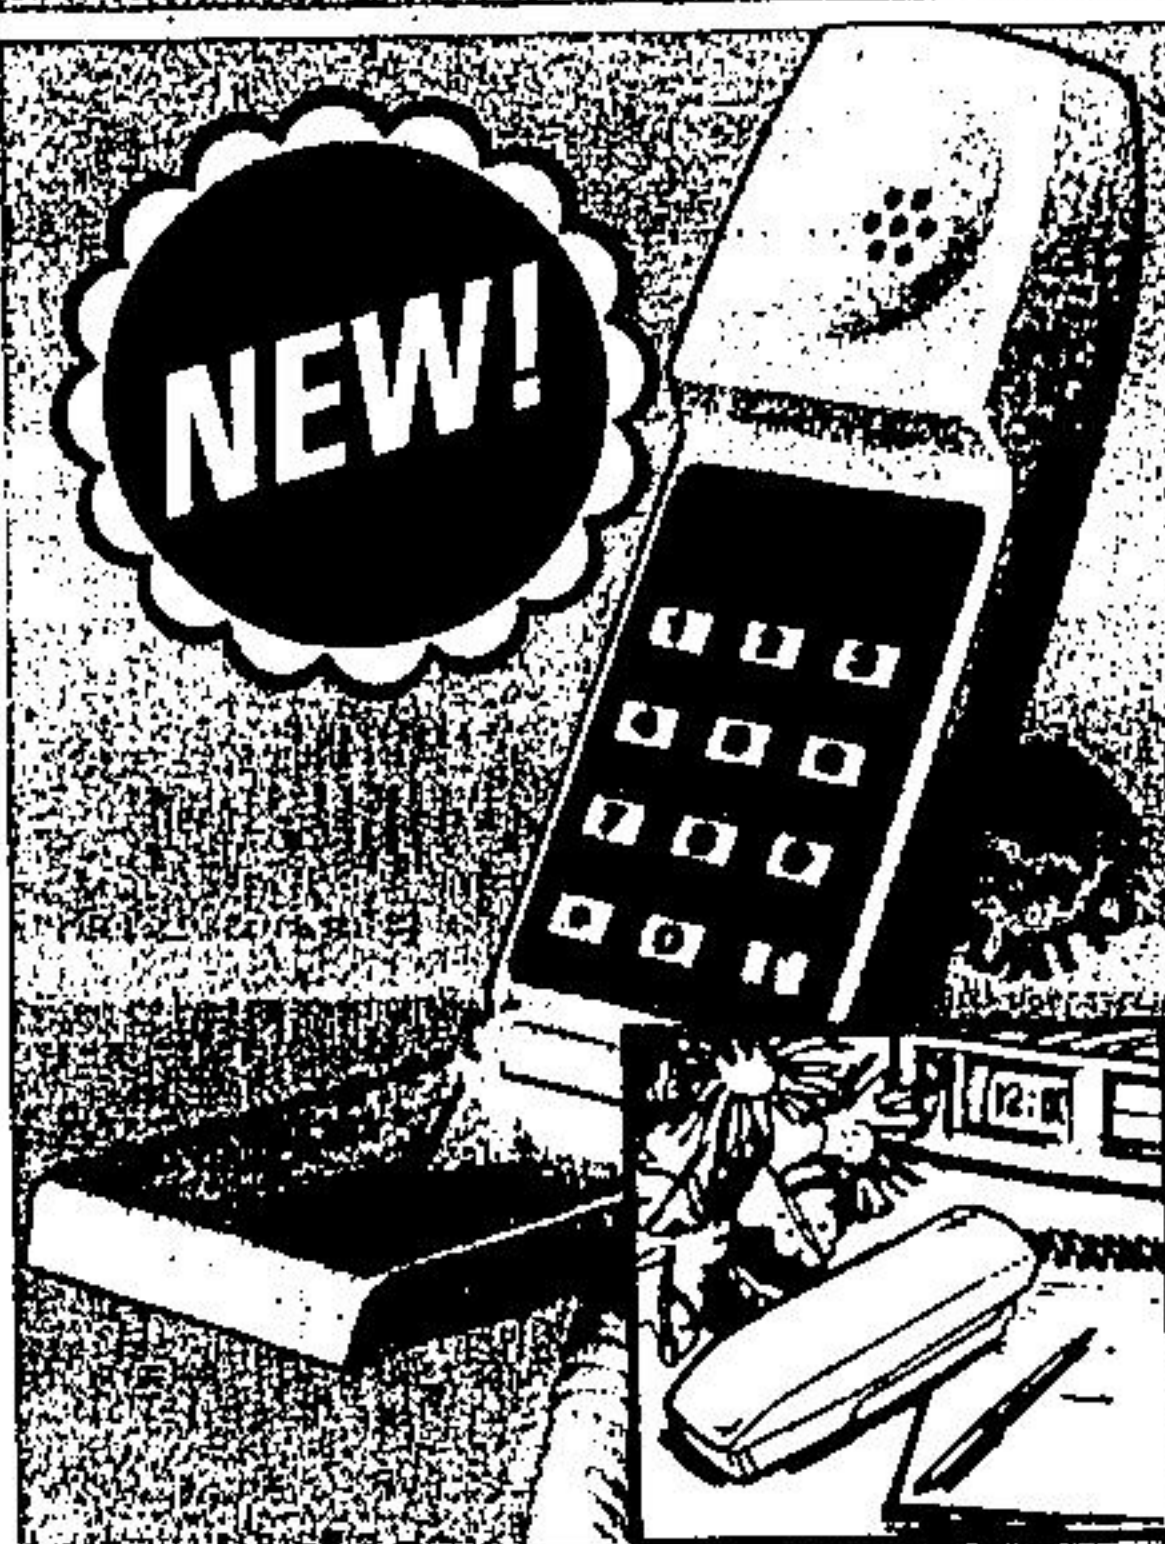

Even at the regular price it's a great buy — but when you can get the STA-52B at such a BIG SAVING the value is spectacular! 16 watts RMS per channel — 20-20,000 Hz response. Excellent features! Direct-coupled amplifiers deliver full power across the entire audio band. PLL FM provides superb stereo separation and lowest distortion. There's a 25/75  $\mu$  sec. de-emphasis switch for "Dolby FM". Magnetic phono and aux inputs for wide system flexibility. Standard & DIN type tape input/output jacks. Tape monitor. STA-52B has bass, treble & center-detent balance controls plus stereo reverse. 31-2080
