Take a fresh look at produce

Where do you go for the freshest fruits and vegetables? To the farm, of course.

Somewhere in the world, it's harvest time. And that's exactly where A&P's eagle-eyed produce buyers are right now -- gathering the pick of the crop and getting it rushed to The Farm in your nearby A&P store.

Their demanding standards and their ability to buy in large quantities means you get exceptional value whenever you buy produce at A&P.

So come take a fresh look at The Farm at A&P. And get to know the Farm Manager. He's so proud of his fine fruits and vegetables, you'd think he grew them all himself! And he'll help you find exactly what you need to be equally proud when you serve it to your family.
