### REGIONAL QUALIFIER

Meredith McLaren of Acton high school had an off meet at the Peel-Halton Championships, but she still managed to take second place. She was one of five Acton athletes to qualify for the OFSAA Regional Qualifying meet to be held in Niagara Falls May 31. McLaren had a time of 17 seconds flat in the senior girls'

100-metres hurdles event. GDHS' Heather Clark was right behind her to take third place and she too will make the trip to Niagara Falls along with 13 other Rebels. More on both the Rebels and Redmen inside.
