Midget rugby team earns OFSAA berth

By Bill Humphreys
The GDHS Rebel rugby teams travelled to Central Peel High School in Brampton last week to compete in the Peel-Halton rugger tournament.

TO OFSAA
The Rebel midget side made the best showing of the four GDHS teams as they played outstanding ball, their efforts gave them a trip to the OFSAA championships.

The Rebel junior "A", junior "B" and senior squads also had a good day. However their overall point totals were not as high as other schools even though their win and loss record was as good, this ended their chances at an OFSAA berth.

The tournament was played with just seven members on each team.

Because of this, competing schools were able to make up an "A" and "B" team.

The Rebels junior "A" team played their first match against Erindale and came away with a 22-0 victory.

Scoring for the Rebs were Steve Robins who had two as well as three converts. Derek Ferguson added one try and Ken Owens also had one try.

The senior rebel squad which only had one team, played Chinguacousy's "B" team and it was no contest as the Rebs showed their amazing strength and speed to shut out the opposition to a 16-0 victory.

Scoring for the seniors were Mark Peregó who had one try, and Mark Euteneier with one try and penalty kick plus the added convert.

FIRST GAME

In the midgets first game, the Rebs encountered a

tough Central Peel squad. The Rebels squeezed the victory with a try by Russell Powers to make the final score 4-0.

The junior "B" team played their first game against Central Peel also, and the physical game ended in a 10-10 tie.

Scoring for the Rebels were Duncan Owen and Greg Thompson who both achieved tries and Thompson had the convert.

The awesome Centennial senior squad proved to just too much for the Georgetown senior team in the Rebs second match as they shutout the hometown favorites 16-0.

The Rebel junior "B" team won its second match against Erindale four to three with Duncan Owen again recording a try.

The Rebels left frustrated though, because their point total was not high enough to advance them into the semi-finals even though they had not lost a game.

The Rebels junior "A" team fell into the same

frustrations as the "B"'s as they too won their second match against Bramalea 6-0 but their overall total was not high enough to advance. They too were undefeated in tournament play.

In that game, Mike Miehms scored Georgetown's try with Steve Dobbins kicking the convert.

In the midget semi-final they were pitted against Centennial high school.

The Rebels shutout their counter parts 10-0 with Ross Furth and Dean Scallen scoring one try each and Russ Power kicking a convert.

In the midget final, the Rebs played against a strong Chinguacousy team and lost 4-0.

"The midgets have a very strong team this year and should go all the way at the OFSAA championship.

"The juniors had a disappointing day because they did win all their games.

"The seniors are still young and should do better next year," coach Murray Kittmer said.
