

Royalettes romp to victory in season opener

The Georgetown Legion Royalettes got their first-ever season in the Ladies' Fastball Division off to a very successful start defeating Oshawa 13-0 in away action last Wednesday.

The Royalettes used both Laura Wilkes and Debbie Short in the pitching circle for the game. The two hurlers were both at their best as they allowed just one single in the game.

Wilkes started the game and went the first four innings. Oshawa's only hit in the game was a third-inning single. Short went the final three innings and she did not allow any hits.

BALANCED OFFENSE

The offense for the Royalettes was very balanced as each of the starters had at least one hit.

Nominees selected for award

Georgetown District Minor Hockey Association games.

Through the years Perkins has refereed hundreds of Georgetown Minor Hockey Support Group games as well.

He was also one of the organizers of the original Georgetown International Banham Hockey tournament. He is still the head of the officials for the event and he also manages to still referee many of the games himself.

This past year Perkins was also a convener with the Ontario Minor Hockey Association. His duties in that position included booking ice time for the Georgetown rep teams.

During the summer Perkins is the Umpire-in-Chief of the Georgetown Industrial Fastball League.

The decision on a winner among the three nominees selected has already been made, but as previously mentioned will not be made public until Miraele Food Mart's official opening.

All three of the finalists will be honored at the opening and all three will receive plaques.

The nominations of the two runners up and those of the other 13 nominees will all be kept and considered for the award next year, along with new ones nominated.

Georgetown took the lead in the top of the second inning when Charlene Milton got on fielders choice after Noreen Atkinson had singled. Milton then scored on a single by Michelle Michm.

The Royalettes opened the game up with three runs in the top of the fourth. Noreen Atkinson, Milton and Michm all scored runs in that inning.

Georgetown then got two more runs in the fifth inning with Barb Curry and Joey Bennett crossing the plate.

A seven-run seventh inning which saw 10 Royalettes take turns at the plate completed the scoring for the winners.

Shortill, Monica Pollock, Janet McKay, Curry, Milton, Michm and Pat White all scored a run in the inning.

HOME RUN

McKay was carrying the big bat for the Royalettes as she hit a single in the first inning and then blasted a homerun in the seventh.

Shortill, Pollock, Curry, Bennett, Noreen Atkinson, Patti Gies, Milton, and

Michm with two, all had singles.

The only facet of the Royalettes' game which was not in tip-top shape was the defense as the team committed three errors. However, defense is

notoriously the last part of the fastball team's game to come together.

Wilkes struck out two batters and walked three before giving way to Short. Short had no strikeouts in her three

innings and she only walked one batter.

Oshawa had runners reach third base in the second and again in the fifth but they were not able to complete the round trip.

The Royalettes played Glenfield at home last night, travel to Malton tonight and then host Newmarket next Tuesday. The season opener against Pickering last Tuesday was rained out.
