Claim bad officiating

Fobert's Real Estate ousted in two games

Fobert's Real Estate, representing the Halton Hills Ball Hockey League in a tournament over the weekend in Welland were eliminated in their second game.

In their first game Fobert overcame a two-goal deficit to earn a 2-2 draw against the Downsview Blackhawks. Ray Peacock and Bill Allison scored goals in the game's final minute to give Georgetown Fobert's the draw.

In their second Fobert's were 6-3 losers to Welland, and that loss eliminated them from further play.

NOT HAPPY

The Fobert squad was not at all happy with the officiating in this game. The Welland team plays in the only non-contact league in the province and the referees officiated the game by their rules. Many Georgetown players were called for what they thought were clean bodychecks in the game.

Because of the penalties Welland was able to put Fobert's behind the eight ball and led at one point 5-0. Georgetown came back to make it a 5-3 game, but the homeside scored one more on the powerplay to put the

game out of reach.

The Delrex Tavern took over first place in the league with three victories last week. In action against Brampton League teams they beat Vee Motors 8-1 and the Jets 9-0. Against Safeco, from their own league, they romped to a 7-0 victory.

Larry Peterson and Greg Bodnar led the way against the Jets scoring two each with Hal Hulme, Terry Crawford, Craig Johnston, Rick Tomkinson and Grant Bodnar tallying one each.

Peterson and Greg Bodnar had two each against Safeco as did Chris Milne. Ron Haynes collected a single. Brad Miller was in the net for both shutouts. He only allowed the one goal in the three games.

Fobert's stayed hot winning in both their outings. They defeated Vee Motors 3-1 and dumped the McGibbon Hotel 5-1.

Paul Allison, Bill Allison and Doug Timpson scored goals against Motors. Timpson, Bob McCandless, Bill Allison, Tom Turner and Bob Hamilton handled the scoring against the McGibbon.

Jeff MacDonald was the only McGibbon player who

managed to notch a marker.

In other action against Brampton teams the McGibbon was defeated 6-1 by Northwood Park, the Lakers were nipped 1-0 by the Cowboys, the Dominion Dukes were downed 5-2 by the Huron Park Canadiens, who are led by Peter and Mike Sturgeon. Safeco suffered a 5-0 loss at the hands of the Wizards.

The Dukes took a 2-0 victory over the Lakers in league play with Lorne Gordon and Glen McKenzie tallying.

350 spectators attend tournament

Continued from page 34 few matches. Kresgie said the Internationals was unusually successful for the first year of a tournament. Tournaments are usually losers in the money department in their first year.

Pickells said he is also proud that the tournament was relatively injury-free. The injury to Loyer, which was purely accidental, was the only one of any consequence during the full day and night of sparring.

Pickells said his sponsors, McDonalds', Zelta Meditation, Northwood Park Golf Club, Jake's Disco, the Golden Horseshoe Travel and Unisal Construction, who constructed the platform were a big reason the tournament was a success.

Pickells, who of course was very pleased with the turnout

and reaction from competitors, said he will definitely have the tournament again next year.

"There was excellent competition here," Pickells said. "It is the first time that so many top-flight martial artists have competed in one tournament in Canada."
