

The Acton Redmen's Meredith McLaren had the lead on Olympian Julie White going into the first hurdle of the OFSAA Regional meet held at Etobicoke Centennial Park last week. However, White, right, came on to take the event in a time of 14.9 seconds. McLaren had her best time ever, finished third and has qualified for the OFSAA championships to be run this weekend.

McLaren takes third

Meredith McLaren finished third at the OFSAA qualifying meet in the senior girls 100-metre hurdles to qualify for the OFSAA championship track and field meet to be held this weekend.

McLaren was the only one of the five Redmen athletes competing at the OFSAA Regional Qualifying meet who finished high enough to compete at the provincial championships to be held at Etobicoke Centennial Park this weekend.

McLaren had the best time of her career as she was clocked at 14.9 seconds, 15.7 seconds. Julie White won the

event in a time of 14.9 seconds. Marianne Ball was second with a time of 15.1

However, McLaren will be back next year while the other two girls are graduating. McLaren will return to Georgetown district high school next year.

The Redmen had three pole vaulters competing. Midget Don Weaver, junior Ted Nadhazi and senior Larry Kuriz all competed, but did not jump high enough to qualify for OFSAA.

Midget long jumper John Labellio had a tough day, faulting twice and getting off on the wrong foot in the

other. "All the athletes, except for Meredith, had never competed in a meet of that calibre before," said Redmen coach Lyn McLaren. "They were there to get the experience."

Coach McLaren said the Redmen's track season has been very successful. "We finished three places high over last year at the Haltons and Peel-Haltons," he said.

"The interest and confidence of the athletes has greatly improved and I look forward to a good season next year," the coach said.

Senior girls impressive

By LLOYD JONES

Georgetown Senior Girls Rep. soccer team opened their 1979 Soccer Season in the Golden Horseshoe League, with two impressive wins over Richard Hill Tony's Angels and Armourdale Royal Marines.

They trounced Richmond Hill 6-0 on May 28 and edged out Armourdale 2-0 on May 31 at Cedarvale.

The Georgetown team made up mainly of last

year's Bantams, winners of the Halton and Peel Cup, continued where they left off last season.

Newcomers to the team, Heather Clarke, Linda Wilde (capt.), Susan Bergan, Bonnie Lee Beckett, Nancy Phillips, and Ruth Malady had no trouble blending into the team, which should be strong contenders for top honors this season.

The first game played at Richmond Hill was a one

sided affair with Georgetown pressing most of the first half and was rewarded with goals by Jenny Smith and Sherri Crossman.

On the resumption it was again all Georgetown as Clarke, Smith, Wilde and Elaine Taylor converted.

The game against Armourdale was one of a different nature with two well balanced teams playing beautiful soccer giving no quarter and asking for none as they kept hammering the ball back at each others halves until midway in the half when Susan Bergan put Georgetown one up during a goal mouth scramble.

The final half saw Armourdale going all out for the equalizer but strong defensive work by Phillips, Karen Wilson and superb goalkeeping from Elaine Taylor constantly turned them aside.

Newcomers to the game Heather Clarke, playing her second competitive match scored with a lobber from outside the area to put the issue beyond doubt.

Paddlecade coming

Paddlecade from Canoe Ontario, will be in Acton on Wednesday, July 4th, 1979 to give a canoeing Clinic.

A short talk and demonstration will be given at Fairy lake beach on the different canoeing techniques. After the talk and demonstration the public will be able to try what they have seen, using the equipment provided by Paddlecanoe.

We are very concerned with children running in the

pool building due to the possibility of slipping and hurting themselves seriously. The no running rule does not only apply to the pool area but also in the halls and viewing areas in each pool facility.

As staff are continually telling children not to run, we now ask parents to enforce the no running rule, as well.

Please help us enforce this rule and keep an eye on your children so we will prevent future accident.

LAND BARGAINS

Each year throughout Ontario, municipal and county treasurers sell properties that have been seized for non-payment of taxes.

For the informed there are literally thousands of opportunities to buy hunting, fishing, home, investment and farm properties.

These often sell for little more than the taxes owed, which is generally in the \$200 to \$800 range. Of course the properties are worth far more.

Our service provides the lists along with complete purchase details.
