There are three options open for participating in the tournament. Individuals or companies can purchase a hole, at a cost of \$100. Pledges can also be made with the cheque payable to the Cancer Society. To play golf costs \$35, with dinner and green fees included. Of this fee, \$15 goes to the cancer society. The cheque should be made out to "Bill Smith for Canadian Cancer Society".

Mr. Smith is asking that all cheques for donations, pledges, sponsorships and golf days be forwarded to Bill Smith Auto Parts by June 15 to assist with the handling to receipts.

Bantam girls lose tough one

The Limehouse Bantam Girls lost in a 7-4 heartbreaker to Milton. Limehouse led all the way until the last inning when two errors started their downfall.

Limehouse scored one run in each of the first four innings while holding Milton to two runs. However, Limehouse fouled the score after the fourth inning while Milton added one run in the sixth inning to make it a 4-3 ball game.

Milton then continued to add four runs in the seventh to take the lead for the first time in the game. It was one of the best minor ball games played here in the last few years. Limehouse will have been out to avenge their loss this past Monday as the teams have a return match

in Milton.

The Pee Wee Girls went down to Glen Williams 38-21. Rhonda Case, Shellie McArthur and Karen Herrmann made their contribution to the score by each hitting a home run.

The Limehouse Pee Wee Girls were swamped 36-5 by Lowville last week. The highlight of the game for Limehouse was a double play made by Mary McArthur and Linda Thomson.

In the only game played, Squirt Girls bowed out to Omagh 11-7. Judy Thomson pitched a strong game while also contributing at bat by hitting a grand slam to bring in 4 of the 7 runs. Omagh had a good night as they hammered in 3 home runs.

Limehouse Atoms make debut

The Limehouse Atom Boys made their debut last week and came out the victors.

In the first game against Acton, Tristan Sones pitched a solid game. Tim Wilson corked a home run making the score 4-3.

The second game was also close as the Atom Boys defeated Acton. Cory Wilson hit a triple bringing the score to 6-2 for Limehouse.

In both games played against Acton the Squirt Boys met with defeat. A double by Alan and a triple

by Mike Case brought in 5 of the 8 runs scored. The final score was Acton 29, Limehouse 8. In the second game it was Acton 11, Limehouse 3.

In Tuesday's game the Pee Wee Boys were overthrown, by Hornby 30-7. Jeff Ryan hit two doubles for Limehouse.

In the Friday game the Pee Wee boys again met with defeat. Acton came up the winners with a score of 15-6. Both Alan Scott and Michael Morrison did their share at bat by smacking doubles, in their losing cause.

Ballinafad beats Petrohaul Oilers

In Limehouse Men's Softball the morning game saw Petrohaul Oilers play the Ballinafad Blue Jays.

Ballinafad's left fielder Bob Schofield made one of his excellent plays at home plate. Pitcher Dan Englby pitched a four hitter and went on to win 11-6.

The afternoon game between the Limehouse Hustlers and the Limehouse Rocks

saw the Hustlers go on to defeat the Rocks in an excellently played ball game. The score was 10-7.

In the second inning the Hustlers had a six run inning with John Case hitting a home run. Brad Deforest pitched three innings as well as hitting two doubles. Brian Moore pitched a good game for the Rocks. He also hit a triple for what turned out to be a losing cause.

Land Ontario has over one million square kilometres of it. It's important to all of us that every kilometre is put to the best possible use, now and in the future.

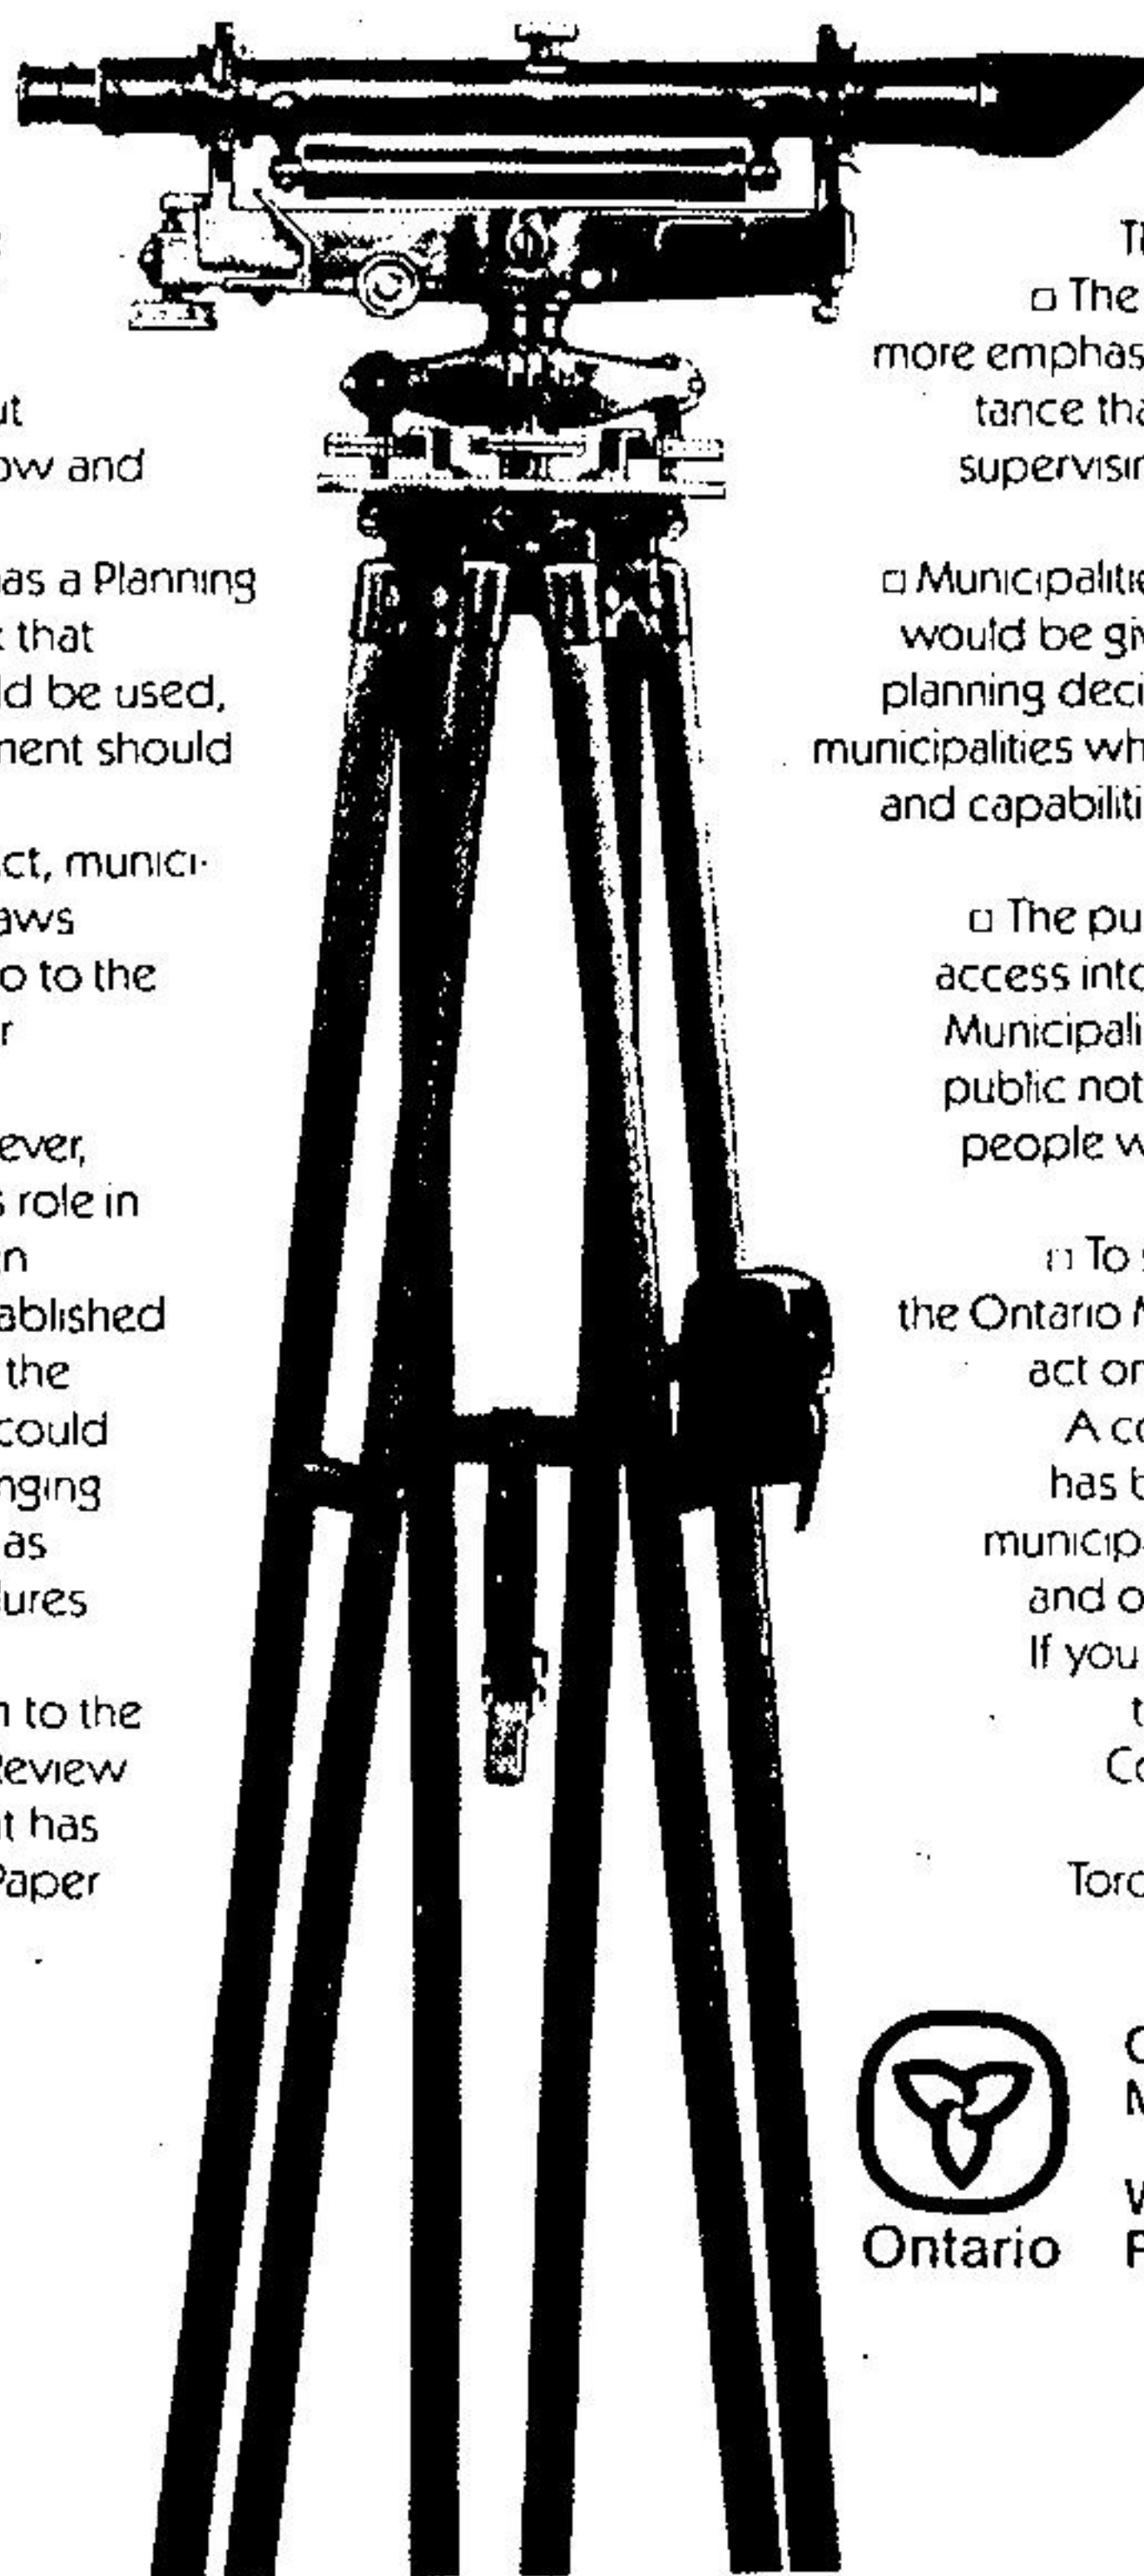

That's why Ontario has a Planning Act. It's the legal framework that determines how land should be used, and in what form development should take place.

Under the present Act, municipalities wishing to pass bylaws relating to the use of land go to the Ontario Municipal Board for provincial approval.

In recent years, however, the provincial government's role in municipal planning has been changing. A committee established in 1975 took a close look at the Planning Act to see how it could be adapted to suit the changing needs of the municipalities as well as to make the procedures more efficient.

After getting reaction to the report of the Planning Act Review Committee, the government has now produced the White Paper outlining its position on revising the Act.

We've taken a new look at Ontario's Planning Act. For land's sake.

The main proposals are:

- The province would place more emphasis on advice and assistance than on its current role of supervising and approving local planning decisions.

- Municipalities, where appropriate, would be given autonomy to make planning decisions. This will apply to municipalities which have the resources and capabilities to handle increased planning responsibility.

- The public would have better access into the planning process. Municipalities will have to extend public notification procedures to people who will be affected by planning decisions.

- To speed up the process, the Ontario Municipal Board would act only as an appeals body.

A copy of the White Paper has been made available to municipalities, planning boards and other interested groups.
