

Above are photographs of the two Swedish teams which will be visiting Georgetown for 11 days starting on June 30. In the top photograph is the senior team and in the

bottom is the junior squad. The Georgetown teams have also been named.

Teams facing Swedes named by coaches

The senior and junior hockey teams which will oppose the Swedish teams in games here have been announced.

The senior team will be made up of one Georgetown Gemini, with the rest coming off the Label Sunny Acres Farms Major Midgets and Labelmasters Minor Midgets.

Lance Doucette, a centre, will be the Gemini in the lineup. He could have played minor midget last year.

The goaltenders for the team will be Benny Beckett and Keith Ledger.

The defense will be composed of Tom Simpson, Dave Pilote, Phil Milne, Mark Bingham and Brad McMeekin.

The remaining forwards are Herb Kewley, Bob Dean, Bill Wheeler, John Thorpe, Danny Reynolds, Kevin Thompson, Mark Hamilton and Gerry Milne.

PRACTISING

The senior team has already been practising for one month under the tutelage of Major Midget mentor Neil Cotton. Because there is no ice at either of Georgetown's arenas the team has been

working out at Mississauga's Meadowvale Arena.

Cotton will be on vacation during the games take place so Dale Law will be the senior team's coach.

The junior team, which will be coached by Bob Webster, has not had any practises yet, but the squad has been picked.

This team will be composed of 10 DRG Stationery Major Bantams and five Optimists Club Minor Bantams.

The Major Bantams on the squad will be goaltender Jeff Watterworth, defenseman Mike Doucette, Ken Ward and Peter Hallar and forwards, Paul White, David Norton, Rivy Kennedy, Geordie Adams, Anthony Oram and Bob Morrow.

Representing the minor bantams will be goaltender Kevin Gillespie, defenseman Blake Harrison and David Doucette and forwards Eric Clark and Robbie Duke.

Duke, who was one of the most dangerous shooters in any Georgetown uniform this past year, has moved to Ottawa but he will be returning to participate in the matches.

Fred Harrison, who is the head coach for both teams, said that a mix of teams was used to match the age groups of the Swedish teams which will be coming.

Pee Wees beat Brampton

The Georgetown's Lion's Club Pee Wees defeated Brampton 12-7 in action last week.

Brampton has a strong hitting club, but the Georgetown defense kept them at bay by playing excellent defense.

Andy Fisher, Siderston and Joe Richardson all singled in the first inning for Georgetown with two runs scoring.

Two more runs came home in the sixth with Fisher and Sederston again both singled. Fisher also had a double in the game.

Jeff Budweiser went all the way on the mound for Georgetown and Richardson was the outstanding player.

Wilkes leads Royalettes to win, then tired team drops decision

The Georgetown Legion Royalettes split their two outings last week nipping Scarborough 4-3 at home Tuesday and then losing in away action to North Bendale 8-6 the next night.

In the victory pitcher Laura Wilkes turned in another solid performance going the whole route fanning six and allowing just four hits.

Wilkes got off to a shaky start as Scarborough scored one run in the first inning and two more in the second, but the Georgetown hurler mowed them down after that.

The Royalettes also scored all their runs in the first two innings with a couple in each.

Pat White walked to lead-off the game, Charlene Milton followed with a single, and although the next three Royalettes all grounded out both the players came home to score.

In the second inning Monica Pollock singled. Pat Gies then sacrificed and got on base on an error. Both the runners crossed home plate after late singles by White and Nancy Shortill.

NOT SHARP

The Royalettes were not at

all sharp the next night against North Bendale. They committed 12 errors to give the victory away.

However, the Royalettes had just come off a tournament win in London the previous weekend. The Wednesday night game was their sixth game in five days so tiredness caught up to them.

Wilkes was again hurling for the Royalettes. She could not be blamed for the loss as she got no defense and she had also pitched the night before.

White again got on base to lead off the game and she scored after a sacrifice by

Melton and a single by Shortill.

North Bendale took the lead with three runs in the third. Debbie Groves' home-run was the big blast in that inning.

The Royalettes went back in front with three of their own runs in the top of the fifth. They scored all the runs after two were out.

Shortill got things going with a single, Anette Mackay then followed with a one-base hit. They both came around to score when Joey Bennett's hit got on an error.

The lead was short-lived however as North Bendale went in front 5-4 with two unearned runs in the bottom of the frame.
