

Delrex wins big game earns trip to Ottawa

The Delrex Tavern won their shootout with Fobert Real Estate 2-1 Sunday and therefore will represent the Halton Hills Ball Hockey League in a tournament in Ottawa at the end of the month.

The team in first place after Sunday's games earned the right to go to the tournament. Had Fobert won the game they would have made the trip.

Fobert took the lead when Rob Hamilton scored the only goal of the first period. However, Greg Bodnar and Rob Pemberton tallied for

Delrex in the second period to give them the important victory.

In their other game last week Fobert routed Safeco 6-0 with Tim Turner leading the way with two goals. Steve Hulme, Gary Mix, Wayne Gibson, Doug Timpson and Paul Allison tallied single markers. Al Densmore recorded the shutout.

TOUGH OUTING

In their other outing Delrex had another tough, close game nipping the Dominion Hotel 2-1. Larry Peterson and Ian Syme handled the scoring for the winners while

John Kennedy replied for Dominion.

The Lakers had their best week of the season winning both their outings. They beat the McGibbon Hotel 4-2 and then handled Safeco 3-1.

In the win against the McGibbon Larry Melton was unstoppable as he scored all four goals. Dave Thompson tallied twice in a losing cause.

Against Safeco, Melton, Dave Coffey and Don Rae did the scoring. Terry Weber was the only Safeco player to hit the scoresheet.

In the roughest game of the week Dominion was defeated 14-2 by Brampton's IKO. There were four fights in the game and many penalties. Dave Braida and Glen Mc-

Kenzie scored for the McGibbon.

In other games against Brampton teams the Lakers suffered their only loss of the week taking it on the chin 3-0 against Northwood Park.

The McGibbon also took two victories. They beat the Cowboys of Brampton 4-3 with Dave Thompson scoring twice. Brian Hunzinger and Gerry Coffey had the other markers.

The other McGibbon victory was much easier after the Dominion defaulted a match the two teams were scheduled to play.

It was the third default of the season for the Dominion. It was the second time the McGibbon has taken a victory in that fashion.
