

# Summer living

Continued from Page 2

There is a well treed area along the Credit River with an excellent area for group picnics as well for the family. Shelters, barbecues and washroom facilities. Second line west north of Derry Road west in the village of Meadowvale.

The Halton Region Conservation Authority operates Kelso Conservation Area. This area has swimming, hiking, a regional museum, fishing and a wildlife viewing area. This authority also operates Crawford Lake, a naturalist paradise. There is no swimming, fishing or other uses which will detract from the sensitive aspect of this lake. Extensive studies are being done on this very deep lake that will explain the history of the region including Indian use of the

immediate vicinity. It will be a long hot summer and you may as well make the best of it, by visiting the many and varied conservation areas available to us here in Halton. Be sure to take along your frisbee, ball equipment and

barbeque. Be prepared to enjoy - enjoy - enjoy.

There is nothing like summer in Ontario and some of the best times can be had without the heavy travel up north. Do it all right here in Halton.

Buy a set of Tempo radials and drive with confidence all year. You save the cost of 2 extra winter tires. And you say 'goodbye' to changeovers every Spring and Fall.

- More good reasons to buy Tempo
- RADIAL CONSTRUCTION... saves you money on gas, compared to bias-ply tires
  - TWO STEEL BELTS... helps minimize penetrations, bruising in critical tread area
  - up to 13,000 BITING EDGES in the tread give Tempo traction and puff rain or shine
  - POLYESTER CORD... in the tire body provides sidewall strength, flexibility... gives you a smooth ride

Act now — and eliminate tire changeovers
