Church picnic lunch follows outdoor service

By WINIFRED SMITH Herald correspondent

Although there was a brisk north-west wind blowing on Sunday morning there was quite a blt of sunshine which made for a reasonably nice day for the outdoor Church Service followed by a picnic lunch. At the start of the service the superintendent of the Sunday School Mrs. Joyce Clarke, announced the names of those who had the most perfect attendance at Sunday School during the past year.

In the seniors the award went to Rene Schwarz who just missed two Sundays followed by the younger ones Kyle and Colin Pinkerton and Wendy Jones. Mr. Stiles had a story to tell the children which was interesting for all. His Sermon, was just as interesting and inspiring as his topic was "Telling Your Story - And Sharing Your Faith". It was announced there would be a church service at the Community Service next Sunday July 1st, beginning at 11 a.m. This will be the start of

Annual picnic held

By Mrs. A.W. BENTON Herald correspondent Mr. A. Hoedemaker of Vancouver, B.C. visited his mother-in-law Mrs. Gordon Booth

recently. Mrs. Leslie Campbell of California has been visiting the Norton's and Latimer's.

The annual congregational plenie was held following church services on Sunday. Church services will not be held at Limehouse during July. We are asked to attend United services in Glen Williams or Georgetown.

The local Beavers group with parents and leaders attended a week-end Camp for North Halton near Orangev-

Canada Day celebrations that will take place in Burnetts Field for the afternoon. The outdoor service on Sunday was held on the spacious grounds of Mr. and Mrs.Schwarz. Lunch was served among the evergreen trees near the pond on the Snow property. There was an ample supply of delicious food. Races followed back on the Schwarz lawn. Those not involved with the sports had a leisurely time just chatting.

Debbie Butcher a June Bride-to-be was the guest of honor at two miscellaneous showers this past week. One on Tuesday evening when Lisa Woods and Michelle Deans arranged to have several other young friends of Debbies for the evenings entertainment. Mrs. Lundy was hostess for the occasion at her home in Erin. Marion Jamieson of Ballinafad was among those present. Also the grandmother of the Brideto-be Mrs. Butcher Sr. of Alliston and the grandmother of the prospective groom Mrs. F. Smith of Ballinafad, Debble thanked all for the many nice gifts she received.

A dainty lunch followed and a happy evening came to a close. On Sunday afternoon, a large number of friends and relatives met at the Butcher farm in Hillsburgh to honour Debbie. Mrs. Butcher welcomed the guests as they arrived. A nicely decorated umbrella was placed under a chair in the corner of the family room and Debbie was escorted to the chair.

A small wagon laden with gifts was wheeled in by a little daughter of one of the guests. A variety of useful and beautiful gifts were opened by the prospective Bride. She heartily thanked one and all for this beautiful surprise party as it had been kept a scret from her. Some novel contests were

enjoyed and a lovely lunch followed which ended the happy occasion.

Amie O'Connor a student at Brisbane Public School represented her school at the sports day competitions held at

Guelph recently. Amie was one of those competing in the ball throwing competition for the juniors. Amie was not successful in being a top winner, but came fifth in competition with other schools from Wellington County, Congratulations to all those competing in the different events.

A great deal of interest was centered around the village on Friday when the contents of the home of the late Mr. Patterson were sold by auction. There were many antiques and some rare pieces of china sold. Some good prices

were realized also some bargains. The home and property have been sold to a Hillsburg Couple so we hope to welcome some new corners to our hamlet shortly.

The Community Centre Committee for planning the Big Celebrations on July 1st, hope to have a successful day as many events have been planned. After the church service in the hall at 11 a.m. there

will be a parade to Burnetts field where the afternoon's activities will take place. Lunch will be available at a booth. Everyone come and enjoy the day and help the community.

Xonk's is a drop-in centre for teen talk and activities

Georgetown teenagers with. nothing to do and no place to do it have been issued a standing invitation to the drop in centre in Knox church basement which is scheduled to open next week.

The centre, to be known as Xonk's, will officially open with a dance beginning at 8 p.m. on July 2 and will operate five days a week between 3 and 5 p.m. and 7 to 11 p.m.

The centre is the result of efforts by Nan Creaghan and co-operation from the Y and the recreation department. Mrs. Creaghan, a long time volunteer with the Elizabeth

Fry Society which alds women recently released from prison, said she feels there is a need for a facility in Georgetown where 12 to 17-year-olds can go to talk and generally enjoy themselves without spending a let of money:

casual atmosphere where young people can sit around and enjoy music on a juke box or join in some of the games such as pool and table termis which have also been donated to the centre. Mrs. Creaghan says nothing will be organized in the way of entertainment. All she hopes to do is provide

Mrs. Creaghan said that Knox Presbyterian Church board of directors has donated the use of the hall free for the summer but she hopes to be able to find a permanent location so that the centre can continue on a year round basis. She is appealing to individuals. and organizations for donations of time, money, or supplies to get the centre outfitted and manned with adult counsellors.

Midland area we went to the legion in Coldwater (Branch 270) and were greeted pleasantly by the bar steward and members. Br. 270 have 100 ordinary members but about 300 all together. Over their bar they have a notice "Your criticisms and suggestions are welcome at general meetings but aren't worth a DAMN at

the bar. How true. Their clubroom is very nice and has 4 dart boards a plane and juke box and a pool table and we noticed they also have a dart shoot and bingo each week. I brought home their monthly bulletin called The Maple Leaf and I find it most interesting.

The Ladies are saving Dominion tapes for a worthwhile cause and in the clubroom there are 3 shelves of pocket novels (25c each) money to go towards a much needed item.

Its a busy little place and very clean. Do drop in sometime when you are in the area. Also while in Midland we went to that towns branch (80 I think) and as I did not have my card with me at the time, we were not allowed in and the door

man was quite firm about it. So, do remember to have your key-card if you are in that town for a visit. We must respect the rules of all branches as we would want the same respect in ours.

Happy were the darters that took home steaks last Thursday at our weekly steak-dart shoot and an added bonus was a plant won by Brian McCorry. Steak winners were Nelly Bell, Jim Wallace, Edna Rippon, Jim Bishop, Harry Bottoms and Dave Bell. Good for you. This is a very

popular evening and I hope you will start coming down If you haven't all ready done so. With holidays soon upon us, if you have visitors bring them down, show off our beautiful lounge and introduce them around. Friday and Saturday evenings it is somewhat quiet with cottages to go to so come on down this Thursday and maybe I can put your name in the column as a winner. Three darts thrown, score to be over 15 and under 60, hidden score. 6 games \$2.50 or .50 a game. You don't need to be an expert, just aim for the board. This Friday evening in your lounge it will be Norm Eyres entertaining you for your dancing pleasure and on Saturday it will be that popular Russ Sommerville.

Betty Sandifer is scheduled for an operation in Peel Memorial this week and altho' her stay in hospital will be relatively short, Betty will be out of circulation for a few weeks and I am sure a card would hasten her recovery as it would for all our hospitalized and shut-ins.
