## Oakville beat Valentinas 8-0 in a roughly-played game

By ALEX TOUGH  
Valentina 0 - Oakville 8  
The visiting girls showed their skill and power at Cedarvale early by going into a first minute lead and they continued to dominate the opening half with another four goals.

iting coach, Pep talks at the half by both coaches to players and spectators calmed the situation and we proceeded to the second half. This was much better all round.

The Valentinas, without an injured Pat Turner this session, concentrated on playing the ball, and held their own for half an hour before the blues popped in three more.

Carolyn DeVries played very well on her debut, lack-

ling hard and clearing her line.

Cathy Dobson made a couple of errors, but on the whole kept the score down, particularly in the second half. Kim Newcombe had an excellent match at right defence.

Once again our forwards had little support and we lacked cohesion and creation from midfield. There were moments of promise once

Carole Johnston moved up-field in support.

We have to string our moments into the whole game. Pat Turner worked until coming off and Kary Jones moved better. Arlene Gray showed some spirit up front and improves. Positional play, passing and supporting each other require to be worked on now. We have a rest from league competition next Thursday.

Flyers 1  
Strikers 0

These two Pineview teams played at Pineview. There is no referee report to hand but the score would indicate that

although the Strikers lost they must have played well because the Flyers are a strong experienced team.

United 2

Demons 1

This was an exciting game played at Georgetown High School. This is the first game that the Demons have lost, so

it would appear that United Coach, Dave Patterson may have started a winning streak.

The lone goal scorer for the Demons was Jackie Koeslag, and it was a result of a very good effort on Jackies

part. Gail Shanks scored the first goal for United and Valerie Longo scored the second from a penalty shot.

Noteworthy players for the Demons were Kathleen Coe,
