Letters to the Editor

Operation Action says thanks for their road race support

To the editor of the Herald: I would like to express my appreciation to the following persons and groups for their assistance in making the "Mayor's First Annual Road Race" the tremendous success it was: Mayor Pete Pomeroy,

Bob Daniell & Helpers, Staff Sergeant Barrett and the Georgetown Police Force, Alan Bell and the Georgetown Emergency Communications Club, St. John's Ambulance, Gord Murray and Tony Panacci.

And the following sponsors who helped finance the cost of the awards: Burns Transport, Crichton Bros. Sports, D.R.G. Stationery, Frank Veterres, J-T Sports, Neilsons, Smith & Stone Ltd.

As a result of the support from the above individuals the race was enjoyed by over 100 runners and will likely become an annual event. Sincerely, Heather Leslie, Race Director Operation A.C.T.I.O.N.

Readers applaud column

To the editor of The Herald: For Ms. Landsborough in your "Viewpoint" column of May 23, 1979 you wrote an article that pleased us very much. We are encouraged to hear that someone else can see that the disrespect we see in our youth is put there by the example they see. Oh what a price EVERYONE is paying for our moral decay and lack of respect for all things. Thanks for writing this column. We hope some lives were redirected by it.

Sincerely Lee and Kay Wood Terra Cotta, Ont.

ECONOMICS GRADUATE

Mr. John Pendergast, son of Mr. and Mrs. J.A. Pendergast, formerly of Glen Williams, graduated on June 30, from Western University, with a Bachelor of Arts Degree in Economics. John is presently employed in Mississauga before embarking on world travel in the fall.

There's probably nothing quite as embarrassing as watching the boss do something you told him couldn't be done!

Agricrew '79 is ready to go says agriculture rep

By RICK STERRITT Agricrew Co-ordinator Agricrew '79 is at the starting gate and is all ready to run for another season. The job of interviewing and selecting the students has been completed and the Agricrews are now being prepared for work. The students who make up the crews show great enthusiasm and do have farm labour experience. There is no doubt that they will satisfy any farm employer.

Farmer response has been very good so far. Halton and Peel Counties are already booked up for the first three weeks, mostly by the employers who hired them last year and want them again this year. York County is making its debut and the program is not as well known yet. Agricrew's popularity in York is sure to grow once they show their stuff and the word of a good thing spreads.

If you're interested in hiring a crew to help you get your work done, or if you have any

questions regarding Agricrew, do not hesitate to contact Rick Sterritt, Agricrew Co-ordinator for Peel, Halton and York Counties, at your local Agriculture Office (878-2314). He will be happy to talk to you.
