

Mark Nelstrop scored on this shot to give Georgetown a 1-1 tie with the Swedes in the late soccer game played Sunday at Gibbons School. Thomas Pettersson came out of his net in an attempt to cut down the angle, but

Nelstrop drove the ball by him. There for any rebounds are Georgetown forwards Steve Robbins, left, and Phillip Milne.

Hockey league starts

The Georgetown Recreational Hockey League got underway with two games last week. Mac's Milk defeated Georgetown Fruit Market 9-4 and Moma Rosa Pizza took it on the chin from Atkinson Real Estate 10-2.

The game between Mac's and Fruit Market was very close in the first period as the frame ended with the teams deadlocked at one.

Fruit Market actually got on the board first when Tim Turner scored from Herb Kewley and Pete Fendley. Before the frame was out Mac's got a goal from Dave Thompson to draw even.

In the second period Mac's pulled away as they scored four goals to Fruit's one. Johnson, Owen, Burger and Schroeder was the marksmen. Taylor was the only Fruit player to tally.

GOOD THIRD
Mac's got three more goals in the third period. John Barnes, with two, Andy Broadbent and Thompson did the scoring. Ward and Danny Engleby replied for Fruit.

The game between Atkinson and Mama Rosa was also only close for the first period. Atkinson's Chuck Bradley was the only marksman in the first 20 minutes.

In the second period Atkinson got two goals from Greg Thompson and one each from Gerson Lapointe and Mark Euteneier to make it a 5-0 game.

In the third period Eric Stoken got two goals from Atkinson and Ron Fogal, Doug Edwards and Neil Cot-

ton got one each. Mama Rosa finally got on the board with two goals in the final period. Lefebvre was the goal scorer on each occasion.

It appears that the Atkinson team is going to be tough to beat. They have a very solid defense corps led by Cotton, Fogal, Euteneier and Edwards.

Rough game

Seniors tie, juniors downed

The Georgetown teams came out with a tie and a loss in two very entertaining soccer games against their counterparts from Hagsfor, Sweden Sunday.

The games were scheduled to be played at Cedarvale, but due to the wet weather over the weekend they were moved to the field at Joseph Gibbons School.

The younger team fought the Swedes valiantly, but late goals gave the visitors a 6-4 triumph.

In the senior game, in what was a very-roughly contested game, the teams battled to a 1-1 draw.

ADVANTAGE

The junior Swedes had the territorial advantage through most of the first 30 minutes of the game. The Young Swedes played a very controlled brand of soccer and on most occasions moved the ball out of their zone quickly and efficiently.

The Georgetowners on the other hand did not have the passing skills of the Swedes. However, they made up for errant passes with hustle and doggedness.

The Swedes backline gave the Georgetown forwards fits throughout the early going as they refused to let them set up plays.

Eric Clark of Georgetown was definitely the busier of the two goalies. The little netminder made several good stops in the earlier going to keep the Swedes off the scoresheet.

The Georgetowners jumped ahead 2-0 with goals late in the first half. Rob Fattore and Gary Hulbert got the Georgetown goals. The first one came on a rebound and the second after corner kick.

The Swedes got back into the game with two goals before the first half ended.

The Georgetown side went ahead again when Anthony Oram picked up a rebound and put it behind Peter Johansson in the Swede net.

REGAINED LEAD

The Georgetowners regained their two-goal edge after they scored after taking a flurry of shots. Hulbert had

an excellent chance to put it in but hit the post from in close. The ball was then moved to Bob Sweezie who threw an excellent pass to Fattore. Fattore made no mistake in putting it home.

The Swedes got back into it again by scoring the games' next two goals. Both the goals came from approximately 20 yards out. On the first one a lapse on the part of the Georgetown defenders gave the Swedes the break. The second was scored on a hard shot Clark had no chance on.

The Swedes got two goals late in the game to claim the victory. The offensive star for Hagsfor in the game was undoubtedly Roger Larssen who scored four of his team's goals. Mikael Johansson and another player named Mikael Johansson had the other goals. Larssen was named his team's MVP while defender Blake Harrison claimed the honor for Georgetown.

The senior game was as previously mentioned a

rough one. Several times the referees had to move in to separate players. However, there were no blows struck in the game and no ejections.

Most of the conflicts happened around the Swedish net. The Swedes felt the Georgetown forwards were roughing up goaltender Thomas Pettersson.

SLICKER

Again the Swedes were the slicker of the two outfits, but the Georgetowners refused to give them room to move.

The Swedes got the games' first goal when Lars Persson put the ball home. After that goal Georgetown began to press to try and get the equalizer.

It was not until very late in the game that Georgetown did come up with the tying

goal. Mark Nelstrop picked up a loose ball and fired it past Pettersson who had come a long way out of his net to try and block the angle. It was a definite defensive lapse on the part of the Swedes. Nelstrop, Steve Robbins and Phillip Milne were all in behind the Swedish defense with Petterson being the only player between them and the net.

The four teams will face each other again this coming Saturday. The juniors will play at 12 noon and after the finish the seniors will take to the field.

The showing made by the senior team was particularly impressive. Most of the players are from the Bantam house league with the remainders coming from the Junior "B" team.
