

### GOING ALL OUT

## Sones leads Limehouse in win over Omagh

The Limehouse Atom boys edged out Omagh 4-3 as they scored all four runs in the first inning. Omagh came back to score three runs of their own but were unable to add the tying run. Tristan Sones contributed 2 hits, while John Paul Dewsnap, Tim Wilson and Ernie Hollis each had 1 for Limehouse.

In their only other game last week Limehouse shutout Glen Williams 4-0.

Tristan Sones pitched a superb game as he struck out 14 batters, gave up no walks and allowed only one base runner. Tristan helped his own cause by slamming a homerun. Other hits for Limehouse were Tim Wilson, Ernie Hollis and Chris Pouw.

The Limehouse Squirt Boys were defeated by Acton 19-5 despite Brian Porter's 2 RBI's and Alan Scott's triple. The Squirt boys came back the next night to double the score on Hornby 27-13. Six Limehouse homeruns proved to be too much for Hornby. The 6 round-trippers were hit by Mike Case, Alan Scott, Steve Lorrman, Roger Mullins, Chris Burrell and George Coates.

The Pee Wee boys put forth a good effort despite losing 26-13 to Hornby. Paul McDonald played an excellent game for Limehouse as he reached base three times on a single, double and was hit by a pitched ball. Brian Porter connected for a triple

while Alan Scott pitched 5 innings and Bert Fiddler came in to relief in the sixth.

In the only game played by the Squirt girls they lost 56-20 to Milton.

The Pee Wee girls defeated Glen Williams by a 22-14 score. Jennifer Thomson played a good fielding game for Limehouse. The Limehouse girls managed to pull off a double play to help the cause. Linda Thomson slugged a triple while Rhonda Case injured her knee while sliding into home plate.

The Bantam girls defeated Omagh 17-9 despite having to borrow three players from Omagh. Only five of the regular players showed up for the game. Limehouse managed to borrow three opposing team players and added Lori Book, a squirt age player to round out the team. Fortunately for the Bantam girls Lori Book was available as she reached base on 4 consecutive singles. Sherry Wilson played an excellent game as short-stop and also stroke four hits for Lime-

house. Credit should be given to the three Omagh girls who gave 100 per cent even though they were asked to play against their own team mates.

Limehouse forfeited their game against Lowville as they were unable to field nine players. Their only other game was rained out last Friday against Omagh.

The Limehouse Powder-puffs went down to defeat by a 23-13 score against Puslinch. The game was the first this year for the Limehouse ladies.

Both Barb Maltby and Wendy Brown crossed the plate twice for Limehouse in the seven inning contest in Morrison. Fortunately for both teams the six runs maximum per inning was in effect and used three times throughout the game. Elaine Bouwman started on the mound for Limehouse and was relieved by Ann Marie Lowin in the fourth. Despite the loss the team played quite well.

## By 10 wickets

# Georgetown cricketers beat St. Catharines

Georgetown C.C. vs West St. Catharines at Ridley College

Under an overcast sky St. Catharines won the toss and decided to bat, on a pitch that looked placed. After the first over it was obvious that the ball was not going to lift and that it was going to be necessary to keep the ball pitched up. Georgetown eventually won the match by 10 wickets.

Neville Samaroo, bowling into a slight wind, dropped a ball short on his fourth ball and was immediately hit for four. The ball came through very slowly off the mat giving the batsmen plenty of time to see the ball. This lesson was quickly learnt and two balls later Samaroo bowled Bates with a leg-cutter.

Captain Kumar decided to attack the batsmen and brought nearly all the fielders in close to the wicket in an attempt to unsettle the batsmen. Instead of going after the bowling the batsmen went onto the defensive, Windsor having K. Singh, LBN with score at 10. The Samaroo brothers combined for the next wicket, Clyd taking a nice catch at deep-point of brother Nevill's bowling. With his next ball he bowled Allard and the score was 14-4.

### NICE CATCH

N. Samaroo also helped on the next wicket taking a very nice catch off Windsor in the gully. After being dropped twice in the same over Ollerhead was beautifully caught by Ragbir at silly point, again off Windsor. Barham was quickly out when he skied the ball to Jones at square-leg, who made a nice catch judging the ball well as the wind caused the ball to move quite a bit.

The remaining wickets fell quickly Windsor bowling 2, and Kumar finishing the innings bowling the St. Catharines captain Hewitt. The score was 33 all out. This was the lowest total that Georgetown had dismissed a team for, and while the bowling was good, the main factor was aggressive field playing, crowding the batsmen into making mistakes. Jahoor and a new man to the side, R. Mangro opened the innings for Georgetown.

St. Catharines attempted to follow the Georgetown principle having 8 men close to the wicket, but neither batsmen appeared ruffed as they played carefully.

Jahoor made many square cuts and leg glances whenever the ball was pitched short and Mangro playing in his first game for 12 years, showed he had all the technique required for an opening batsmen.

The sky started to darken causing some concern that the game might be washed out. This initiated some vocal encouragement from the boundary and both Mangru and Jahoor replied hitting fours.

Jahoor made the winning hit with his share 21 not out and Mangru not out 13. This was also the first time Georgetown had beaten a side without losing a wicket.

Bowling: Windsor 6-11, Samaroo 3-17, Kumar 1-2. Batting - Jahoor not out 21, Mangru not out 13.

Team - A. Kumar (capt.), S. Jahoor (v. capt.), L. Hopkins (wkt.-kp.), K.L. Jones, N. Samaroo, C. Samaroo, A. Emmanuel, R. Mangru, R. Ragbir, A. Dean, A. Windsor.

Next match vs Hamilton Cavaliers 'B' away July 7th.

## Fobert forward dominating

Tim Turner is dominating the scoring in the Halton Hills Ball Hockey League. The Fobert forward recorded eight more scoring points in leading his team to two more shutout wins last week. They defeated Brampton's Cowboys 6-0 and then took Safeco by the same score.

Al Densmore is also having a great run. The Fobert netminder has not been scored on in the last four games.

Steve Crossman had two goals and two assists in Foberts' win over the Cowboys. Turner, Doug Timpson, Ray Peacock and Bob McCandless had the other markers for the winners. Turner, Ron Hawkins and Bill Fournier picked up two assists each.

### FOUR GOALS

In the win over Safeco Turner had four goals and an

assist, to keep up his torrid pace. Paul Allison and Ray Peacock had the other goals.

The Lakers had a win and a loss in their games last week. They defeated the McGibbon Colonels 5-3 and lost to Brampton's Jets 7-2.

Wayne Doell and Steve Breen led the way for the Lakers over McGibbon as each picked up two goals. The other marker went to Ian Narey.

Replying for the Colonels were Dave King who had two goals and Gerry Stoyles. Gerry Coffey had two assists.

In the loss to the Jets Peter Fournier and Don Rea scored goals for the Lakers in a losing cause.

Safeco was no match for Brampton's Northwood Park as they lost 8-2. Scoring for Safeco were Steve Joyce and Terry Weber.
