Is Metric Conversion getting you down.
We have the answer with the all new.

Canon card FC-52
Only \$49⁹⁵

Make the metric System simple with this new METRICANON conversion calculator. The FC-52 will instantly convert inches, square inches, cubic inches, feet, square feet, cubic feet, miles, ounce, pounds, U.S. or British fluid ounces and gallons to or from their metric equivalents. The FC-52 will also convert Fahrenheit temperatures to or from centigrade temperatures. As a further convenience the FC-52 is a complete calculator and is trim enough to be tucked into a shirt.
