sports has risen over the past year.

Last year five Georgetown boys made the national team and competed at the World Championships held in New Mexico. They were Kevin Frank, Manhire, Ken Ward, Taylor and Bill Davis. Manhire and Ward both won bronze medals, and Taylor took a silver home.

**U.S. DOMINATED**  
The United States dominated both the bantam and midget classes. Canada was fourth in bantam in which nine countries competed and second in midget which there were 10 countries represented. Canada won six silvers and three bronzes.

Hall and Spanner will both be coaches of the team when it is selected. This year the world championships will be held in San Diego, California on August 2, 3 and 4. The team will be in San Diego July 31, to August 8.

Hall said he expects a few Georgetown boys will make the team.

**Optimists 0 - Firebirds 2**  
The Firebirds played a very good game with Cindy Danylyshen doing a great job in goal, Allison Irvine doing the same on attack and scoring the two goals. Jennifer Melville on defence and Sheri Basha also played very well.

**Jets 1 - Hurricanes 0**  
A very close and well played game with Ginny Sweezie scoring the only goal. Susan Spudic, Stephanie Green and Stephanie Hanman all played particularly well for the Jets. Chantel Desroisier, Lisa Mason and Kelly Taylor all did an excellent job, and played a very good game for the Hurricanes.

# Flyers win keeps them in first

**GIRLS SENIOR GAMES**  
Kinsmen 2 - Strikers 2  
Barb Banner scored twice

for Kinsmen and Cindy Hunter did the same for the strikers.

### STANDINGS UP TO AND INCLUDING JULY 13, 1979

Team	G	W	L	T	Pt
Flyers	7	5	1	1	11
Supersonics	7	4	1	2	10
Sunflowers	7	3	2	2	8
Demons	6	3	3	0	6
United	7	3	4	0	6
Strikers	6	1	3	2	4
Kinsmen	6	0	5	1	1

**Flyers 2 - United 0**  
Barb McElroy and Melony Cooper scored for the Flyers. Valerie Longo and Kierstin Torswick were both noted as noteworthy players for United.

**Sunflowers 0 - Supersonics 0**  
This was an exciting game with Supersonics fielding nine players only. Outstanding players for both teams were D. Hunt, A. Palundo for Sunflowers and Karen Fok-

kens, Pamela Kent and Gill Percival for Supersonics.

**Supersonics 3 - United 1**  
This was a make-up game and was the second game this week for both teams. The lone United goal was scored by Valerie Longo who never stops trying. Leslie Prostebby and Kathy Torswick both worked very hard for United throughout the game. Goal scorers for Supersonics were Karen Fokkens 2 and Kim Beckett 1.

Karen Fokkens accidentally received a hard blow towards the end of the game and had to retire to the sideline. Hopefully she is well over this injury by now.

# Mariners are rained out

By ALEX TOUGH

The Mariners-Meteor 1 and Ajax-Meteor 2 confrontations last week were cancelled due to Cedarvale being under four inches of water and therefore "unplayable" declared ref Bob Marshall.

The Ajax-Meteor 2 clash is rescheduled for July 25 at Cedarvale, kick off 7 p.m.

The Mariners - Meteor 1, hopefully will go on Mon. July 30 at Cedarvale, kick off 8:30 p.m. It is not surprising that the smallest amount of damp from the skies puts the field out of action. Neither the correct amount of soil nor drainage tiles were used in the reconstruction of the main field (as specified), resulting in the problem we have every time the rain comes, or sprinklers on at

the wrong time. Some folks would play regardless of the outcome, which is stupid, ignorant and irresponsible.

**North York Cosmos 3 - Valentin 4**

In spite of my 100 per cent no-point record this season the Bantam girls defied the coaching and defeated the visiting Cosmos in an entertaining, fairly equal and cleanly played soccer match last Thursday.

Goals came from Pat Turner (from a penalty), Arlene Gray and Kary Jones popped in two beauties.

Cathy Dobson returned in goal, played well and was helped by solid defending from Susan Bingley (player of the match), Sylvia Schradler and Jill McKelvey.

In mid field Lynne Cunningham, Lori Thorpe and Kim Newcombe worked hard in the "pressure pot" area. Up front Susan Wild, Kary Jones, Arlene Gray and Pat Turner kept the Cosmos defenders on the run.
