# Weather gets the best of local cricketers

The Georgetown Cricket Club lost their match to Oakville in a game played in sweltering heat at Yoder Field Saturday.

Georgetown won the toss and with some mixed feelings put Oakville into bat. With the initial shine, the ball was moving nicely, and

Windsor had Nightingale bowled in his second over.

After only having four runs scored off his first four over, Kumar replaced himself with Ken Hughes who bowled quite steadily. The score rose steadily with Medford and Dougall, although Medford took many chances hitting

balls from off the stump to the leg side. Emmanuel replaced Windsor and with his second ball had Medford L.B.W. as he hit across the line. Due to a shoulder injury this was Emmanuel's first bowling attempt in league matches and he came through very well. The second wicket fell at 43.

Another quick bowling change brought Kumar back on, and he quickly removed the off-stump off Dougall and then bowled Mujti, the score now being 57-4. Windsor came back on for Emmanuel and again the bowling change had good results, as he bowled Orford and Boslock to make the score 69-6. The situation looked good for Georgetown.

on close calls going in the batsman's favour.

After batting for three hours and twenty minutes Oakville declared at 152-6, and while the score was respectable, the big factor was keeping the Georgetown fielders out in the sun for so long, resulting in some frustration. A special mention must be made to Solomon Tancoo and Jones who both made some excellent stops off well hit balls.

to stop the four. This didn't work too well as Jones pushed for the singles and Kumar punched holes in the field hitting four after four.

At 88 Jones was the fourth man out having batted very well for 18. Windsor came in next and after Kumar hit two more fours, he hit Mufty for a straight 6 and 4.

Kumar was the fifth batsman out with score 104. It was probably the worst ball of the game, a full toss on the leg side which was caught at deep square leg. Kumar's share was 49 having hit 10 fours in a very aggressive inning.

As has happened before the remaining batsmen fell quickly all trying to hit the ball across the line and being bowled. The only resistance came from Hughes who defended well for several overs, and was last man out at 115, with only Hovers left. It had been a close game and one that Georgetown should not have lost.

Bowling - Windsor 3-39, Kumar 2-42, Emmanuel 1-10, Oakville Batting - Van Harte 46 not out, R. Singh 26 not out, Oakville Bowling - Singh 4-24, Sardana 2-15, Harte 2-10, Batting - Kumar 49, Jahoor 22, Jones 18, Team - Kumar, Jahoor, Monerv, Emmanuel, Jones, Hopkins, Itagbir, R. Ragbir, M. **CLOSE CALL**

A close call for L.B.W. was turned down off Windsor's bowling before Singh had scored, and he also survived a sharp chance in the slips from Kumar. Various bowling changes were made as the heat took its toll on the bowlers and fielders alike. The Samaroo brothers who were unavailable for the game, were badly missed and while the bowling was reasonably tight, it didn't have its customary penetration.

In fairness to Singh and Van Harte, they batted very well, hitting only the loose balls. They demonstrated a patience which Georgetown could learn from. The wicket played easily and the only time either batsmen showed inadequacy was when Kumar switched to leg-breaks. Kumar made the ball turn almost too much, however he was unlucky not to have Harte stumped by Hopkins.

**MOVED SCORE**

Kumar and Jahoor came together and moved the score along very well, taking many quick singles as well as hitting several fours with straight drives and square cuts. At 43 Jahoor was given out L.B.W. after he had scored 22, and appeared to be very comfortable.

Jones joined Kumar. The Oakville field playing was strictly defensive allowing the single, but with the intent
