

Six shutouts in girls soccer

JUNIORS

Firebirds 1
Hurricanes 0
A well fought game with Heather Steen and Lorna Richards playing very well for the Firebirds, as did

Kerry McCashew who scored the only goal of the game. The Hurricanes were again lucky to have the excellent goalkeeping of Erin Hughes

and a special mention for hard work and good play also goes to Julie Taylor on the forward line and Lisa Mason in mid field.

Debutantes 0

Jets 2
Another good game with special mention going to the two goal scorers, Jacqueline Gerrits and Susan Rogers. Joining these two in excellent

effort was their new player, Lisa Howie.

INTERMEDIATES

Precision Fasteners
Ocelots
The Ocelot team went down to Milton and found only 4 Milton players at the field, so the Ref. declared a win by default to the Ocelots.

Olympians 6

Red Barons 0

Playing very short-handed the Red Barons none-the-less showed some very good play especially by Bev Pickering, Lynne Taylor and Anita Boomsma. The Olympian Charlene Van Cleef scored 3 goals, Sonja Haller and Lauri Kelly one each. Liz Becker in goal, Jackie Peyton on defence and Kim Keller as forward deserve praise for their effort and skill.

Blue Bombers 2

Rapeo Foam 0
Sarah Belshaw scored the first goal, then Leanne Murray got an unexpected birthday present by scoring her first goal in true textbook manner. Carol Steinfatt, as usual played an excellent game on defence and Nita Millese did a great job in mid-field.

SQUIRT DIVISION

P.D. Electric Cougars 1
Milton Clements Texaco 2
This was a really good game. The Pineview Team just couldn't get that ball in the net. It wasn't for the lack of effort though. Paul Baemler scored the Cougars lone goal with a good effort from Peter Boettcher, Duane Brankiewica and Michael Padillo. The goal scorer for the Clements was Shawn Healey.

MOSQUITO

Bentleys Tigers 3
Johnson Bros. Garage 0
This was a good game with the Pineview team playing one man short. All 3 goals were put in by Eric Chudleigh. Special mention to Pineview goalie Kelly Fogg for excellent work also Wayne Bentley and Brian Deenik. Milton notable players are David Johnson and Brent Bibby.

JUNIOR GIRLS

Weights down in fish contest

By R.C. (BOB) OLLIVIER

In the first two months of the Molson's and Ontario Federation of Anglers and Hunters annual fishing contest, the weights are below last years winners.

Whatever the size of your fish, if it is in the minimum weight category, then enter it. You may have a winner.

By the second week in July there had been no entry in the Largemouth bass or salmon division but July usually shows some good bass and September the salmon.

As of July 6, all three entries in the muskie division were entered by the same man, from the same waters, Wabigoon Lake in Barclay Township. Craig Dawson is the fisherman with his largest 24 pound-14 ounces. This will probably be beaten, and probably in the fall, when the largest muskies are usually taken.

The largest smallmouth bass was taken from Rainey Lake and weighed in at 4 pound 13 1/2 ounces. Don't forget each entry receives a Michael Dumas print, and I am only too pleased to display mine.

To get the edge on catching a large pike or muskie, try the BELIEVER lure by Drifter Tackle. In the Michigan-Ontario Muskie club in 1978, out of the top 20 entries 12 were taken on the BELIEVER. I think that says a lot for the effectiveness of the lure and I can vouch for it. I have turned the tide in my favour when it comes to Bass fishing.

I started using the SASSY SHAD as a spinnerbait almost exclusively, where I use spinner baits. The SASSY SHAD can be used alone on a hook as you would use a plastic worm, or on a jig hook.

VARIETY OF SIZES

On a fly rod for bass, I use the TUTTLE DEVIL BUGS from DAREDEVLE. These bugs come in a variety of sizes and shapes as well as colours, and look for all the world like the bugs and mice that lunker bass feed on. I took a five pounder on WING BASS Devil Bug in ACTON'S Fairy Lake last week, and the wings on this bug look like a beetle or huge moth on the surface and with a slight twitch it came alive.

The Devil Bug Mouse is a terrific lure for large bass and also pike and muskie. I would highly recommend them if you like surface action, and they can be used on spinning tackle which increases their use. The SALMON season is almost upon us and the DAREDEVLE folk put out a great salmon lure, the SAGAMORE FLASH with FLY. These are designed with the COHO and CHINOOK fishing in mind. This is a spoon-fly combination and the effectiveness of the "twinkle" flies are well known. The KOHOFLY is also a great lure for these super fish and should not be passed up when buying tackle for the salmon fishing.

There are a lot of charter boats operating on Lake Ontario for salmon.

As I mentioned in last week's ONTARIO OUTDOORS for salmon and I will try to research as many of them as I can for the high point of the season. These will be published in this column each week with as much info as possible with each the same as last year. If you know of a good charter boat and have had good luck with them, please call me with the information. I will contact them for complete details.

CONFUSION

There still seems to be a lot of confusion in regards to the F.A.C. the FIREARMS ACQUISITION CERTIFICATES. It is wise to obtain one now if you plan to get a firearm in the near future. You must have one for the acquisition of any firearm, rifle or shotgun, or even an airgun with a muzzle velocity of over 500 feet per second. It matters not if the firearm is obtained by purchase, loan or trade, from a dealer or private individual. Even if you get the gun from a relative you need an FAC.

The certificate is valid anywhere in Canada for five years and covers any number of acquisitions, and the cost is ten dollars. Don't leave it until the rush period just before the hunting season, and then complain about the slow service, do it now. Winchester Canada Ltd. is sponsoring a draw of FOUR DOVE SHOOTERS TO HONDURAS valued at \$1000 each and four Commemorative rifles at \$399 each in order for the hunting fraternity to get their F.A.C.'s early. This contest closes NOVEMBER 30, 1979 so hurry it up. Next week, more on BASS and SALMON in ONTARIO OUTDOORS.

Pineview soccer scores

Sunflowers 2

Ladies 'A' team is defeated

The Gordon Alcott Ladies "A" tennis team lost three matches to one in away action against Rosethorne last week.

One of the Georgetown losses came on a default. Loretta Hesson who was to be paired with Ann Kennedy could not find the Rosethorne

Linda Rice and Isla Allison was the only Georgetown team to win, taking their match 6-4, 7-6.

Audrey Houston and Elizabeth Doig lost 4-6, 6-7 and Doreen Thomson and Clara Brant were downed 2-6, 0-6.
