Many soccer events are planned

By ALEX TOUGH

Saturday, October 6, is our end of season chicken barbecue and disco dance. Dave

Smallwood is once again our merry DJ.

As usual the affair promises to be another smash hit. Tickets will be out soon.

Saturday, September 23 hosts the semi-finals and final of the Standard Products Ltd. sponsored Pioneer Day tourney. The prelims will commence on Wednesday September 19 and through to the final day. We hope to end with a disco for the players of the youth club, as last year.

Saturday, September 15, is the projected boys house league cup finals and presentation day. The Ontario Cup finals are also this weekend.

Saturday, September 8 we again host the Peel-Halton girls cup finals in the competitive section of soccer.

August 25 and 26 the girls house league is holding its equivalent of cup tournament in Milton. The same weekend sees the Ontario Cup semi-finals, venues unknown at the moment.

SPORTING WEEKEND

At 2 p.m. on September 15 we are hosting the draw for a Toronto sporting weekend on September 28 and 29 which takes in a sporting event on the Saturday and Sunday, with hotel accommodation for one night. Tickets are \$1 will be available within the new few weeks. The proceeds

will go to complete the accounting of Sweden '79. There is a proposal up for discussion at this week's soccer exec to give one ticket per youth soccer family membership to each family. Sounds like a good idea.

Last weekend saw the house league girls have a go at the Brampton tournament. There were problems in raising sufficient officials and players to take part.

Next week the boys house league are in Oakville for a similar all star tournament with similar problems. Failure to turn out and turning out short handed reflects badly upon any club image and organization and hampers future entry acceptance.

There is the financial aspect to consider. The cost of entry, and performance bond (a guarantee to show), varies from \$50 to \$90 per each team. If the situation is simply lack of interest then we will look very carefully at club backing for tournament entry in the future.

Of course, timing of tournaments and vacations plays a part, yet having made the commitment we should stand by that commitment.

Local referee sits and waits

John McCauley is back at his Greystone Crescent home today resting after going through an eye operation at Toronto General Hospital Monday.

The operation was the second McCauley has had since suffering the eye injury last February. He was attacked in a New York City restaurant.

This recent eye operation was to correct double vision. McCauley's career as a National Hockey League referee depends on whether or not the operation was successful. The Herald spoke to him Monday, a few hours after the operation, and at that point the success of the

operation was not known. The referee said that the doctors would be giving him the verdict soon.

"We should know if the operation is successful as soon as the patch is taken off the eye," McCauley said. He was sounding very tired and weary after going through the two-hour operation. The patch was scheduled to be taken off the eye yesterday afternoon.

"We'll just have to sit and wait," McCauley said. "The doctors are very confident that it was successful."

The operation, which was to restructure the muscles in McCauley's left eye, was performed by Dr. Michael Easterbrooke.
