**Registration on at local schools**

Parents of children who will be attending school for the first time this fall, or whose children will be attending a new school, can register at the school this week.

All public schools in the Acton and Georgetown areas were open by August 27, and parents can register their children at the school any day this week. High school students moving to Georgetown and Acton High Schools from another school are urged to register with school as soon as possible to fill out their option sheets and get their timetable set up as soon as possible.

Parents registering their children in kindergarten should bring with them proof of the child's birth date, and some evidence that they are public school supporters. If the parents don't have their tax bill or some form of receipt, the school will make arrangements to take care of the situation. Kindergarten students will

be required to bring in a health certificate when they register. If the child doesn't have a certificate, the public health nurse will contact the family and have a health examination after registration is completed.

Advance registration for Halton Separate School students was held yesterday morning. Separate school will be open September 5 and bus routes will be posted at the main entrance of each school.
