### Gervais still winning with a 260 average

Roger Gervais is continuing his winning bowling from last season, when he earned a trip to the Canadian Finals out west. With a current 260 average in the Sunday evening Young Adults Bowling League at Georgetown Bowl, Gervais in his first game started out with 5 strikes, left a corner pin, made 5 more strikes and then had a head-pin on his last ball for a score of 391. He followed this with games of 243 and 254 for a league high triple of 888, moving ahead of Gary Richardson's 812 which had just been momentarily bested by Colin "Bumba" Hicks with 835. These high scores show that the contingent from Georgetown should again do well in the money competition next weekend in London, Ont.
