Georgetown runner wins bronze at Pacific Conference Games

This week we look back 10 years to this issue and we find the sports highlights of Oct. 9, 1969.

POWELL MEDALIST IN JAPAN GAMES

Georgetown track star Tony Powell made his presence felt at the Pacific Conference Games held recently at Tokyo's National Stadium with medal winning performances in two events.

He won the bronze in the 400 metre sprint and collected a silver for the Canadian teams second place finish in the 1600 metre relay.

He also competed in some 'local' meets coming first in the 100 metres and 2nd in the 400 metres, second in the 400 metre relay, and third in the 100 metres in Miyazaki.

'GUNNER' \$1,000 WINNER IN SWEEPS

A Georgetown resident with the non-de-plume of 'Gunner' has won about \$1,000 for having his ticket No. JC 54446 drawn on Saturday's running of the Cambridgeshire Handicap in England.

His horse, Royal Captive, was not among the first three.

'Gunner' was the only Halton resident to have his ticket drawn in the Irish Hospital Sweepstakes.

JUNIORS ALIVE BUT STILL LOOKING FOR HELP

Despite the problems plaguing the Georgetown Junior C Hockey Club they'll be

alive and kicking when the curtain goes up on the 1969-70 hockey season. And they

may even be contenders depending on what some of their potential personnel decide to do with their energy during the winter.

Their early try-out sessions didn't attract enough bodies for one shift plus a line

change, but that part of the picture is brightening. Attendance of late while still way short of what it should

be, is encouraging. Most are solid enough performers that the Junior C brass claim they need only a few key people to become competitive.

But competitive or not, the Georgetown Junior Raiders will continue to exist through the 1969-70 campaign.

One member of the executive told the Herald that even if they wanted to fold they could not consider it seriously because of contracts already made with the arena board and the Ontario Hockey Association.

Among the small band frequenting practices have been defenseman Glen Chapman and Bruce Lewis and forwards Frank King, Dwayne Hay, Jerry Nash and Bob Monckton from last year's team.

Doug Unsworth, who looked so good in his tryout whirl with St. Catherine's juniors, has been working out with the Junior Raiders as well as two other netminders. An

Oakville juvenile, Carter, has been one of the sharper hopefuls.

The club also hopes to pick up some of the late cuts from the Brampton juniors.

With their opening game a little over a week away, Georgetown will likely get in only two more practices before getting down to brass tacks. They will practice at 11:30 Sunday morning and possibly next Wednesday night.

Their schedule starts in Oakville Friday, Oct. 17 with home opener slated for Sunday afternoon October 19.

ENGRAVED WATCH FOR SERVICE TO GIANTS

An engraved wristwatch is a retirement gift for Alec Brown from the Georgetown Giants baseball team.

Mr. Brown, a life member of the Giant's executive who has handled the gate for the games for many years, received the watch at a windup

dinner at Hilltop Golf and Country Club, Erin. Club president Don Wilkes spoke of his years of good work and interest in the club in making the presentation.

A new trophy for most valuable player was awarded this year to Jim James.

The dinner followed a golf tournament in which Pete Pomeroy shot a 44 to emerge the winner.

JUNIORS REGISTER FIRST FOOTBALL WIN

Guelph CVI Green Gaels were baffled by Georgetown Rebels defense for half a game, Friday. But once they decided it the Guelph powerhouse rolled to a 27-1 victory

in a big five football game played in the Royal city.

It was Georgetown Rebels second loss in three starts, and GCVI's third victory.

Georgetown high school didn't come empty handed however, as their junior edition whitewashed the Bishop MacDonell Celtics 28-0.

The senior Rebels defense limited the Gaels to just 16 yards and gave up no first downs in the first quarter. However the Rebs could do no better apart from getting on the scoreboard first with a single point, kicked by Bill Sykes.

Sykes' single represents the only point scored against the tough Gael defense this year.

A 46 yard touchdown run by Pete Lewis put Guelph in to a 6-0 lead early in the second quarter. The convert was no good. They owned a 7-1 edge at half time after a 13 yard single.

Most of the third quarter was a defensive battle, but a Rebel fumble gave the Gaels

possession deep in Georgetown territory. Three players later an un-converted touchdown made it Gaels 13 - Rebs 1.

Guelph's fourth quarter scores included a 29 yard ramble by Bev Preater for a TD, and 23 yard broken play TD.

Georgetown juniors had an 8-0 lead at half time in their game with Bishop Mac on a touchdown by Mitchell and a convert and single by Cartwright.

Quarterback J. Inglis tossed a 13 yard touchdown strike to Cartwright in the third quarter which the latter converted. Later in the period Cartwright intercepted a Celtic pass and raced 76 yards to score his second TD.

Georgetown juniors picked off their fifth BM pass and recovered their fourth fumble in the final quarter. A 35 yard pass and run play by Sheppard accounted for their final major score. Cartwright kicked his third convert.

Ice ready soon

Curlers getting ready for the coming season

By JUNE CARSON
Attention all curlers and curlers-to-be:

The days are getting shorter and the evenings colder, making it just about that time to put away the tennis racquets, store the golf clubs in a snug dry spot for winter,

dust the cobwebs out of the old broom and clean your boots, to make ready for a great new season of curling at North Halton.

The ice should be ready the week of October 13th and all the committees are busy making plans to welcome the 'new' and 'old' members to the club.

The Business Girls' section gets underway Wednesday October 17 with the skips selecting their rinks for the

first schedule at 7:30 p.m. at the clubhouse. All applications should be submitted before this date. All

curlers are welcome! There will be two more fun evenings planned for October 24th and 31st, with instruction and

practice available and refreshments served so everyone will be all fired up for the first scheduled game November 7th.

The Ladies' section is hosting an Open House to welcome everyone on Tuesday, October 16th and Thursday Oct. 18th from 1-3 p.m. at the

clubhouse. Refreshments will be served and instruction will be available for anyone interested.

The Men's section is planning a similar event in the form of a blister Spiel to introduce new and old members to the game. Everyone is welcome on October 23rd and 25th for the Spiel, and every evening from Oct. 15-26 for free instruction and a good social time.

The Juniors are getting underway and they welcome

anyone between the ages of 12 and 21 and still in school to come out and join them. If you are interested please call Beverley and Ted Peck at 877-5735.

We are looking forward to a super year, so come on over and join the fun. All you

need is "flat" clean soled boots or shoes, a warm sweater and leather palmed gloves.

See you on the ice.
