## SPACIOUS THREE BEDROOM WITH FULL BASEMENT

This low-profile, three bedroom basement bungalow is perfectly suited to the medium frontage residential building lot, and would make an ideal home for the medium-size family which has plans for expanding, and which requires a sense of spaciousness and a practical layout for ease and convenience. The solid and comfortable-appearing exterior, finished in horizontal channel siding, with fieldstone chimney and heavy shake roof, is a fine blend of rustic and contemporary elements, and would complement any residential development.

The weather-protected entry leads into a commodious reception foyer and naturally left into the long, L-shaped, living-dining room combination. The living room features a cantilevered-hearth masonry fireplace and large front-facing windows for excellent view and natural light. The separate dining room divides from the kitchen via space saving pocket door, and connects to a rear patio via sliding glass doors.

A spacious and well-planned L-shape kitchen has abundant countertop work surfaces, generous cupboard storage and an intelligently-planned work triangle configuration. The kitchen may be totally isolated via convenient pocket doors for privacy and hygiene.

All three bedrooms are positioned around the central bathroom and linen storage facility, and well away from the main entertaining area for freedom from disturbance. Each

has generous closet storage and excellent exposure for view and natural light. The master bedroom has a three-piece ensuite with shower, and the second bedroom has a walk-in closet.

A double enclosed garage, with rain-protected entry to the home, and a full basement for the future development of additional accommodations or recreational facilities, complete the convenience features of this highly practical and eye-appealing design.

Plans for design No. 79-1442 may be purchased either by the single set, at a cost of \$85.00 for the first set and \$14.00 for each additional set, or by the package. Five-set plan package including the first set, is economically priced at \$120.00 and an eight-set package, also including the first set, is only \$150.00.

Whichever method you choose, please include \$5.00 for postage and handling. Ont. residents add 7 per cent sales tax. Send for the current edition of Select Home Designs Magazine, Series 42, featuring imaginative decorating and home improvement ideas, plus 320 quality home plans of every type. Available for \$2.75 (\$2.00 plus .75 cents postage and handling).

To order any of these items please send cheque or money order payable to the Home of the Week. Address to: Home of the Week, c/o The Herald, Suite 201, 881 A Jane Street, Toronto, Ontario, M6N 4C4.
