

Optimists down Streetsville 4-0

By BOB WEBSTER

Georgetown Optimist's Minor Bantam started the season off with a bang by winning three and tying one in their first four league games.

On Saturday Oct. 20 the team opened the season in Streetsville by downing the local boys 4 to 0. After a not too impressive pre-season record, of one win and four losses, the Georgetown boys were able to put enough together and beat a standout Streetsville netminder twice in the second period and twice in the third.

FIRST GOAL

Scoring Georgetown's first goal of the season was Johnny "Cat" Catling, assisted by Kent Falby and Scott Tag-

gart at 5:56. Then Apdy Fisher took over scoring twice, at 9:43 of the second period unassisted and then at 1:51 of the third, from Paul Dobson and Joe Richardson.

Then with 1:08 left in the period, Mike Daquano notched the final marker from Jeff Stevens. Earning a well deserved shutout was Mike McNiven.

Sunday Oct. 21 Burlington visited Georgetown for the home opener and were sent home on the short end of a 2-0 score.

Once again the boys gave a fine effort but were hampered by over anxiousness, causing many give-aways.

But as they say, when the going gets tough the tough get going and that's exactly what James Poirer did in goal as time after time he bailed his mates out with clutch saves.

Georgetown scored late in the first period. Johnny "Hodge" Hodgson scored, assisted by Jeff Stevens and Paul Dobson. The team nursed the one goal lead, until with four minutes left in the game 'Captain Joe' Richardson notched the insurance marker from Andy Fisher. Gary Robertson played a strong game on defence for the local team.

THIMBLE CLUB

Saturday, Oct. 27 George-

town beat Brampton 6-5 but as they say one's as good as a hundred and that's the type of game this was. Georgetown could have won bigger and Brampton could have tied or won, but the simple explanation is the puck went in their goal six times and only in our 5 times. Once again the local boys played strong in spots and showed good anticipation, good organization, good effort and made it pay off in goals, but ten in other spots they played like the Friday night thimble club giving the puck away, missing checks, standing still.

FISHER LEADS

Scoring four goals for

Georgetown and one of the most consistent players of the game was Andy "Fish" Fisher. Fisher from Curtis at 1:24 opened the scoring only to have Brampton come back with two, at 3:14 and again at 4:48 of the second period. Fisher notched his second and third goals of the game from Richardson and Dobson at 7:06 and at the 12 minute mark. Then Mark "Webb" Webster made it 4-2 from Mike "Dekes" Daquano and Stevens.

Brampton tied the score with goals at 2:34 and at 6:45 of the third period.

Fisher unassisted at 7:24 gave Georgetown the lead

again. Webster from Stevens and Falby scored what turned out to be the game winner as Brampton came back to score with one second showing on the clock.

Sunday, Oct. 28 Georgetown was at Brampton and tied 5-5. Scoring for Georgetown were Joe Richardson with two goals and one assist, Andy Fisher with one goal and three assists, Mark Webster with one and Jeff Stevens, from Scott Taggart and Gary Robertson. Once again the boys played only in spots and will have to get more consistency in their game in order to be effective.

Saturday afternoon they host a team from Michigan.

Novice rep team wins two more tri county games

The Georgetown Novice Rep team continued their winning ways over the past weekend with two more victories in Tri-County league play.

On Saturday Chinguacousy visited Georgetown but were stunned 6-2 by their smooth skating hosts. Georgetown opened fast with four unanswered first period goals. The team split four more goals over the last two periods.

Two goal efforts by Allan Giray and Travis Gardner paced the Georgetown attacks. Jason Knight and Brent Presswood added the

other goals, while Adam Bennett, Mark Lorito, Giray and Knight chipped in with assists. Kevin Roe played an exceptional two way hockey game and Chris McCarthy was always a threat.

GEORGETOWN 6 - MILTON 2

A third period penalty shot goal by John Lorito was his second goal of the game and enough to hold on to a tie for his minor AA rep team Sunday against Milton.

Lorito scored his first goal, unassisted, in the first period to take an early lead. The one

goal edge lasted until he notched the penalty shot to make it 2-0.

Milton scored minutes later and tied the game with four minutes remaining despite the strong efforts of Georgetown goaltender Brent Barnes.

On Sunday, Georgetown travelled to Milton and out-hustled their rivals 6-0. The game featured fast skating and hard hitting by both teams.

Jeremy Felce led the Georgetown contingent with two goals and an assist. Doug McDermot, Jason Knight, Brent Presswood and Mark Lorito shared the rest of the scoring. Joel Burton, Travis Gardner, Knight, Presswood and Lorito also had an assist.

The goal tending tandem of Chris Berry and Curtis Green again played brilliantly and shared the shutouts.

Although not figuring in the scoring, the most dangerous skater for Georgetown was Andrew Hoddinott, as he and teammates Joel Burton and Brent Presswood fore checked effectively creating several goal scoring chances.
