

Tuesday night bowling

Last Tuesday was the beginning of a new league, "Tues. Singles League". It was a night of strangers getting acquainted, beginners getting instruction and also some great scores by seasoned bowlers. It was a 'fun' night with the scores showing the proficiency of the bowlers to enable the organizers to form balanced teams for future competition. The league is starting with 6 teams but there is still room for a few more bowlers. Phone Rose, Pete or Andy at 877-9922 NOW! Don't be shy to start as the lowest score for men was 263 for 3 games and 264 for women. Join in the fun!

Traction on ice without studs - and more!

The F32 All-Winter Radial is the tire that Goodyear built to take on the ravages of winter and get you through safely. It performs so well that we call it "The Ice Radial".

Why does this Ice Radial perform so well on icy roads? The secret is in the special rubber compound that stays "bendable" - even at below freezing temperatures - to conform to icy road surfaces.

This is Goodyear's finest traction tire, built tough with Flexten cord belts - pound for pound stronger than steel. It also has a unique tread design with hundreds of biting edges for traction on ice as well as in snow.

Get a pair of Goodyear Ice Radials for your car today, and drive with confidence.
