Golden Agers rolling big scores

When the Golden Age bowling season ends later this winter, George Burt, Jim Wilson, Jim Zebedee, Marg Davidson, Kay Fryer and Muriel Miller will all be in the final running for the overall individual scoring champion.

This past Friday, during regular league action, Marg Davidson totally dominated the ladies present while George Burt and Jim Wilson split the same honors in the mens' categories.

Davidson's clean sweep started with a high single flat score of 212. Fryer and Miller were back a bit off the pace at 175. In the high single with handicap Davidson had another easy time, rolling up a 292 compared to Fryer's 247.

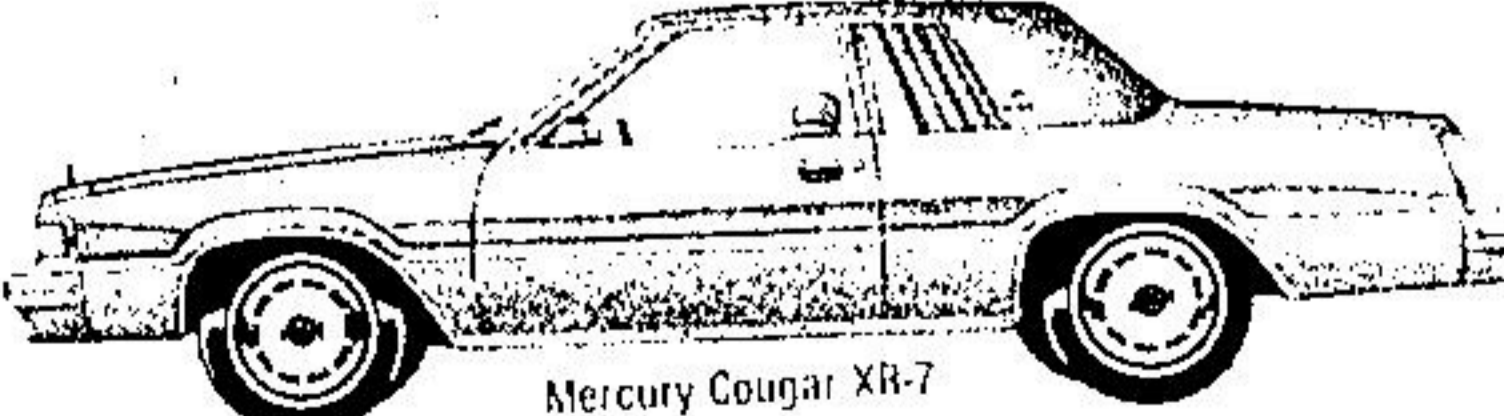

Davidson had a bit of a challenge from Miller in the big triple flat. Only 32 points separated the top two. Davidson had 497 and Miller came out with 465. However, in her final win of the day Davidson

was almost 100 points ahead of Fryer in the high triple with handicap. She bowled an impressive 737. Ninety-two points behind was Fryer at 645.

Burt had trouble winning the mens' high single flat, as Zebedee fought him down to the final frame before losing 282 to 280. Jim Wilson had no trouble with Burt, as he handed him a 321-286 loss in the high single with handicap.

Burt bounced back to capture the high triple with handicap. He topped Al Zeravlev 726-654. Wilson soon broke Burt's balloon again, when he won the high triple with handicap, scoring 766 to Burt's 738.
