Golden Age bowling

Del Wallace and Mary Davidson share top honors in the Golden Age Bowling League this week. Wallace had a clean sweep of the men's divisions while Davidson captured two of the ladies' highs.

Wallace had no trouble all afternoon, Friday, as he had point advantages over his nearest second place rivals of as much as 183 points and at least 33 points. In the mens' high single flat he rolled up 272 to Jim Zebe-dee's 236. In the high triple with handicap, the champ of the day had 303 compared to Jim Wilson's 265. As the day progressed so did Wallace. In the high triple flat he scored 772 to Zebe-dee's 653. Then in the high triple with handicap Wallace totalled 865 while nearest to him was George Tress at 673.

On the ladies' lanes David-son rolled up the high single flat and the high triple with handicap. She topped Edna Spence both times. In the single flat it was 224-206 and in the high triple 708-668.

Spence outbowled David-son in the high single with handicap 294-280. Anne Nicholson also outbowled Davidson 565-486.
