PLAYER OF THE MONTH

Raider Player of the Month is goaltender Peter McDuffe. Peter is 31 years old and was born in Milton. He started his pro hockey career in 1966 for Buffalo in the American League. He played for St. Louis in the NHL in 1971-72 and was traded to New York Rangers for Steve Durban in 1972. In the expansion draft in 1974 Peter was drafted by Kansas City from N.Y. Rangers and then traded to Detroit Red Wings by Kansas City for Gary Bergman and Bill McKenzie in 1975.

Peter finished his pro career in World Hockey League with Indianapolis Racers in February, 1978.

While playing for Omaha in 1970-71 Peter received the Central League's Most Valuable Player award posting a 2.77 goal against average for 37 games, plus in playoffs he only rendered 26 goals in 11 games, including 2 shutouts for a 2.36 average.

This is Peter's 2nd season with the Raiders and his unique style that differs from the other goaltenders in the league thrills many Raider fans.

The Pres says...

Hello Hockey Fans!

The team has now been on the ice for nearly 3 months and as we anticipated some changes are being made at present. Every year there is a period of trial and error until we feel that we have the best possible team available to us, it is always our objective to try for a championship combination.

This year it appears that the Canadian championship format will be the one enjoyed by so many people 3 years ago, that is instead of a tournament there will be individual playoff series between Northern Ontario and the east with the final series between east and west being played in the west.

The Raiders at present are playing just slightly under 500 hockey but we hope that during December we will reach this objective.

At present the Raiders have 3 major fund raising projects in the works: 1. The hockey pool with tickets at \$5.00 and 3 winners at each Raider game. 2. A fun dance on January 19, 1980 at \$5.00 per couple. 3. A men's stag on February 1, 1980 which is also an elimination draw.

Hope for your support
See you at the rink!
