NOW WINTARIO HAS 15 GRAND PRIZES EVERY WEEK

Three \$100,000 Grand Prizes and 12-\$25,000 Grand Prizes every Thursday!

More Prizes! More ways to win!

Now Wintario has a lot more going for it. First you've got a better chance of winning a big prize - with three \$100,000 Grand Prizes and twelve \$25,000 Grand Prizes every week!

Then too, you've got a better chance of winning one of the smaller prizes. Because now there are thousands more prizes to be won every week - \$5,000 prizes, \$1,000 prizes, \$100 prizes, \$10 prizes and Win fall prizes. In fact your chances of winning a prize in the new Wintario are now 1 in 18*. And a Wintario ticket is still just \$1.00.

It's a great new game. With nine draws instead of six every Thursday night live on TV. Get a ticket and get in the game this Thursday. You'll love it - and you could be a winner.

* Now every week for every 3 million tickets issued there are:

- 3 Grand Prizes of \$100,000
- 12 Grand Prizes of \$25,000
- 27 Prizes of \$5,000
- and more than 160,000 other prizes.

WINTARIO IS A REGISTERED TRADEMARK OF WINTARIO INC.

More ways to play your ticket.

Now there's a new Wintario ticket with a 6-digit number and no series number. ** It's a lot simpler - and a lot more fun to play.

You win \$10 if any three consecutive digits of your ticket number match the 3-digit number drawn. For instance, say your ticket number is 123456. You could win if 123, 234, 345, or 456 were drawn. Four ways to play your ticket number!

In the same way, you could win \$100 by matching any four consecutive digits of your ticket number with the winning 4-digit number drawn. Match the 5-digit winning number and win \$1,000.

And if your ticket number matches one of the five 6-digit numbers drawn, you'll win one of the three \$100,000 First Grand Prizes or one of the 12 Grand Prizes of \$25,000.

And then, there's Win fall. Match any two consecutive digits of your ticket number with the Win fall number drawn and you've won a book of tickets on the next draw worth \$5.00.

** Wintario tickets are issued every week in blocks of one million tickets, and each block is numbered from 000000 to 999999, and no series number! For each weekly draw at least 3 million tickets will be issued. So there will be at least three winning ticket numbers issued (1 in each block) that match the 6-digit \$100,000 First Grand Prize number drawn, and at least three winning ticket numbers issued that match each of the four \$25,000 Grand Prize numbers drawn - twelve \$25,000 prizes in all. That's at least 15 Grand Prizes in all.

Still \$1.00

wintario

The name's the same, but it's a great new game.
