

Water Show in Acton

Final examinations, for those taking part in the recreation department swimming classes, take place this week at the pools in Georgetown and Acton.

Swimmers in the lower classifications will be evaluated this week until Dec. 10. On that day Red Cross candidates will be put through the paces in George-

town and the following day in Acton instructors will do the same thing there.

Acton will be the sight of the Annual Water Show Dec. 14. Everyone is welcome to the free show from 7 to 9 p.m.

The recreation department winter brochure will be out next week with more details of the coming events over the next few months.

Newcomers try curling

By JUNE CARSON

Last Wednesday afternoon saw a beehive of activity when the ladies at North Halton, headed by Julie White, entertained a group from the Newcomer's club of Georgetown. Twenty-five tried their hand at throwing practice rocks and getting some instruction from the experts. Hopefully we look

forward to welcoming some to our ranks in the draws after Christmas.

North-Halton was represented at a Bonspiel in Orangeville, September 21st by Alice Fraser's rink of Eva Bradley, Mary Kitley and Teresa Smith. The girls placed third in a group of sixteen rinks. Well done Ladies!

The Christmas spirit is in the air at the club with the first draw coming near its finish. The holly and the ivy are bursting forth and the Christmas tree is aglow in preparation for the many social events planned. Make a note now of the following dates - December 8th - the annual Wine and Cheese party. Tickets are available

at \$9.95 a couple. December 16th - in the afternoon Santa will be on hand for the annual Children's Christmas Party and of course December 31st get a group together and join us for a gala New Year's Eve party. Tickets are still available from the office.

See you on the ice and good curling!

Listen to the savings!

\$398
