

LITTLE HOLLAND (Herald photo)

Jeff Legare and Chris Demuis admire a miniature Dutch village created by grade 2 students at Creditview Public School. The students have been studying the Netherlands, and their studies culminated with a day spent celebrating Christmas as it would be done in a Dutch home, complete with Sinter Klaus and Black Peter, who leave presents or lumps of coal, according to whether children have been good or bad.

Santa's mailbag

Dear Santa,
I am four years old and I have been a good boy. For Christmas I would like Star Wars figures and a hockey game please.
I will leave some carrots for your reindeer and some milk for you.
Love Danny King

My name is Ricky Johnston. I have a list of toys I would like this Christmas.
(1) Elf Racer with fifth wheel
(2) Speed Burner Stunt Set
(3) Tool Set
(4) Lego Space Transporter
If I can not have all four of

these any one will do. I have been a very good boy this year.
Yours truly,
Ricky Johnston

Dear Santa,
We have left a cookie for you. We do not know how many reindeer you have, so we have left 12 apples for the reindeer. Can you let me know how many reindeer you have. I would like sunglasses, a watch and a ring and a super barbie fashion face for christmas please.

Dear Michele:
I will do my best to bring the things which you have asked for. I have 9 reindeer. I think they would really like that carrot.

Chisholm to speak at Sheridan

Sheridan College is offering two programs particularly for women this week and next at its Oakville campus.

As part of the Herizon lecture series, which is sponsored by the Centre for Women and is open to women in the community and college, child welfare consultant Barbara Chisholm, will be the guest speaker tomorrow (Thursday). The choice of Ms. Chisholm as a speaker reflects the International Year of the Child. The lecture will be held in room B125 from noon to 2 p.m. Admission is free.

Sheridan will also be holding two career development workshops for women in the community on November 23 and 24. The workshops are designed both for women who are thinking of going back to work after an absence from the business world, and for women looking for ways to "get ahead".
