

# Corner pins replace 747's as Golden Age leaders

After weeks of domination by the 747's, the Golden Age Bowling League now have a new leading team going into the holiday season play Friday. The Corner Pins picked up all three of their games and the bonus point for that feat to move them from second into first place with 63 points, one ahead of

the 747's. The rest of the standings look like this: Blue Jays 54, Rolling Pins 53, Slo and Easy 52, Expos 50, Half and Half 44, Six Dolls 44, Friendly Five 41 and Raiders 32. In the individual scoring

battles Anne Nicholson and Kay Fryer battled it out to split the ladies' honors Friday while Norm Smith and Grant Real did the same thing in the mens' section. Real took the men's single flat with a 280-260 score over

Smith only to have Smith return in the high single with handicap to score a 296-285 win over Del Wallace. Real also emerged victorious in the high triple flat with a 705-654 score over Smith who once again rebounded to win

the high triple with handicap 747-712 over Charlie Retwick.

The see-saw battle which took place in the ladies' division involved two ladies who have both been consistent winners all season. Each added a couple more wins this week to keep the two in the race for most wins equal. Both played bride and bridesmaid to each other in all four of their games.

Nicholson topped Fryer in the high single flat 265-212 then lost to her 272-265 in the high single with handicap. In the high triple flat she was again winner with a 691-566 score. Fryer matched this with a 761-691 win over Nicholson.

Friday a small Christmas celebration will take place. Play continues through the Christmas and New Years holidays.
