# 'This year I want something else than dickie cars'

**EDITOR'S NOTE:** The sheer volume of letters to Santa this season, coupled with a relative lack of space in recent issues of The Herald, has forced us to hold over some of the letters and Santa's replies. The Herald apologizes to all the youngsters whose letters are appearing late and particularly to those whose letters have not appeared. We assure you Santa has seen all the letters, as must have become clear to all yesterday morning. Thank you for your interest and patience.

**Dear Michael;**  
You must try even harder to be a good boy and always listen to what your parents are telling you, they do it for your own good, so put a little more

effort in what you do. Santa will try to bring you the gifts that you have asked for, but you must promise Santa to be really good. Merry Christmas Michael and have a good New Year.

This year i will give you some cookies and a glass of milk. It will be sitting on a table near the tree. I hope you don't come down the chimney because it's a awful tight squeeze. I though I might tell you because I didn't want you to get stuck. It comes out at a wood stove. This Christmas I would like a 24 inch monkey (please). Goodbye and Good
