## Fire pee wees beat Milton

The United Fire Safety minor pee wee finally beat Milton. Thursday night they hosted the 'Green Machine', the third meeting between the two, and won 5-3, but just by their teeth.

The local lads went behind 1-0 with 24 seconds remaining in the first period when a Milton player beat Georgetown goaltender Steve Tucker. A second goal by Milton halfway through the second stanza forced the Fire pee wees to react. Playing short

handed with just over a minute to play in that period Mike Hurley got a pass over to Mark Howie with 1:16 left.

Going into the third behind 2-1, but with renewed desire, the local side scored two more unanswered goals. Howie hit for his second of the game from Pat Braund and Scott Campbell, just into the final half of the remaining period at the 10:30 mark. Denny Kent put the Fire team ahead for the first time in the game on a goal assiste-

ed by Brian Doherty and Mark Priest a minute later.

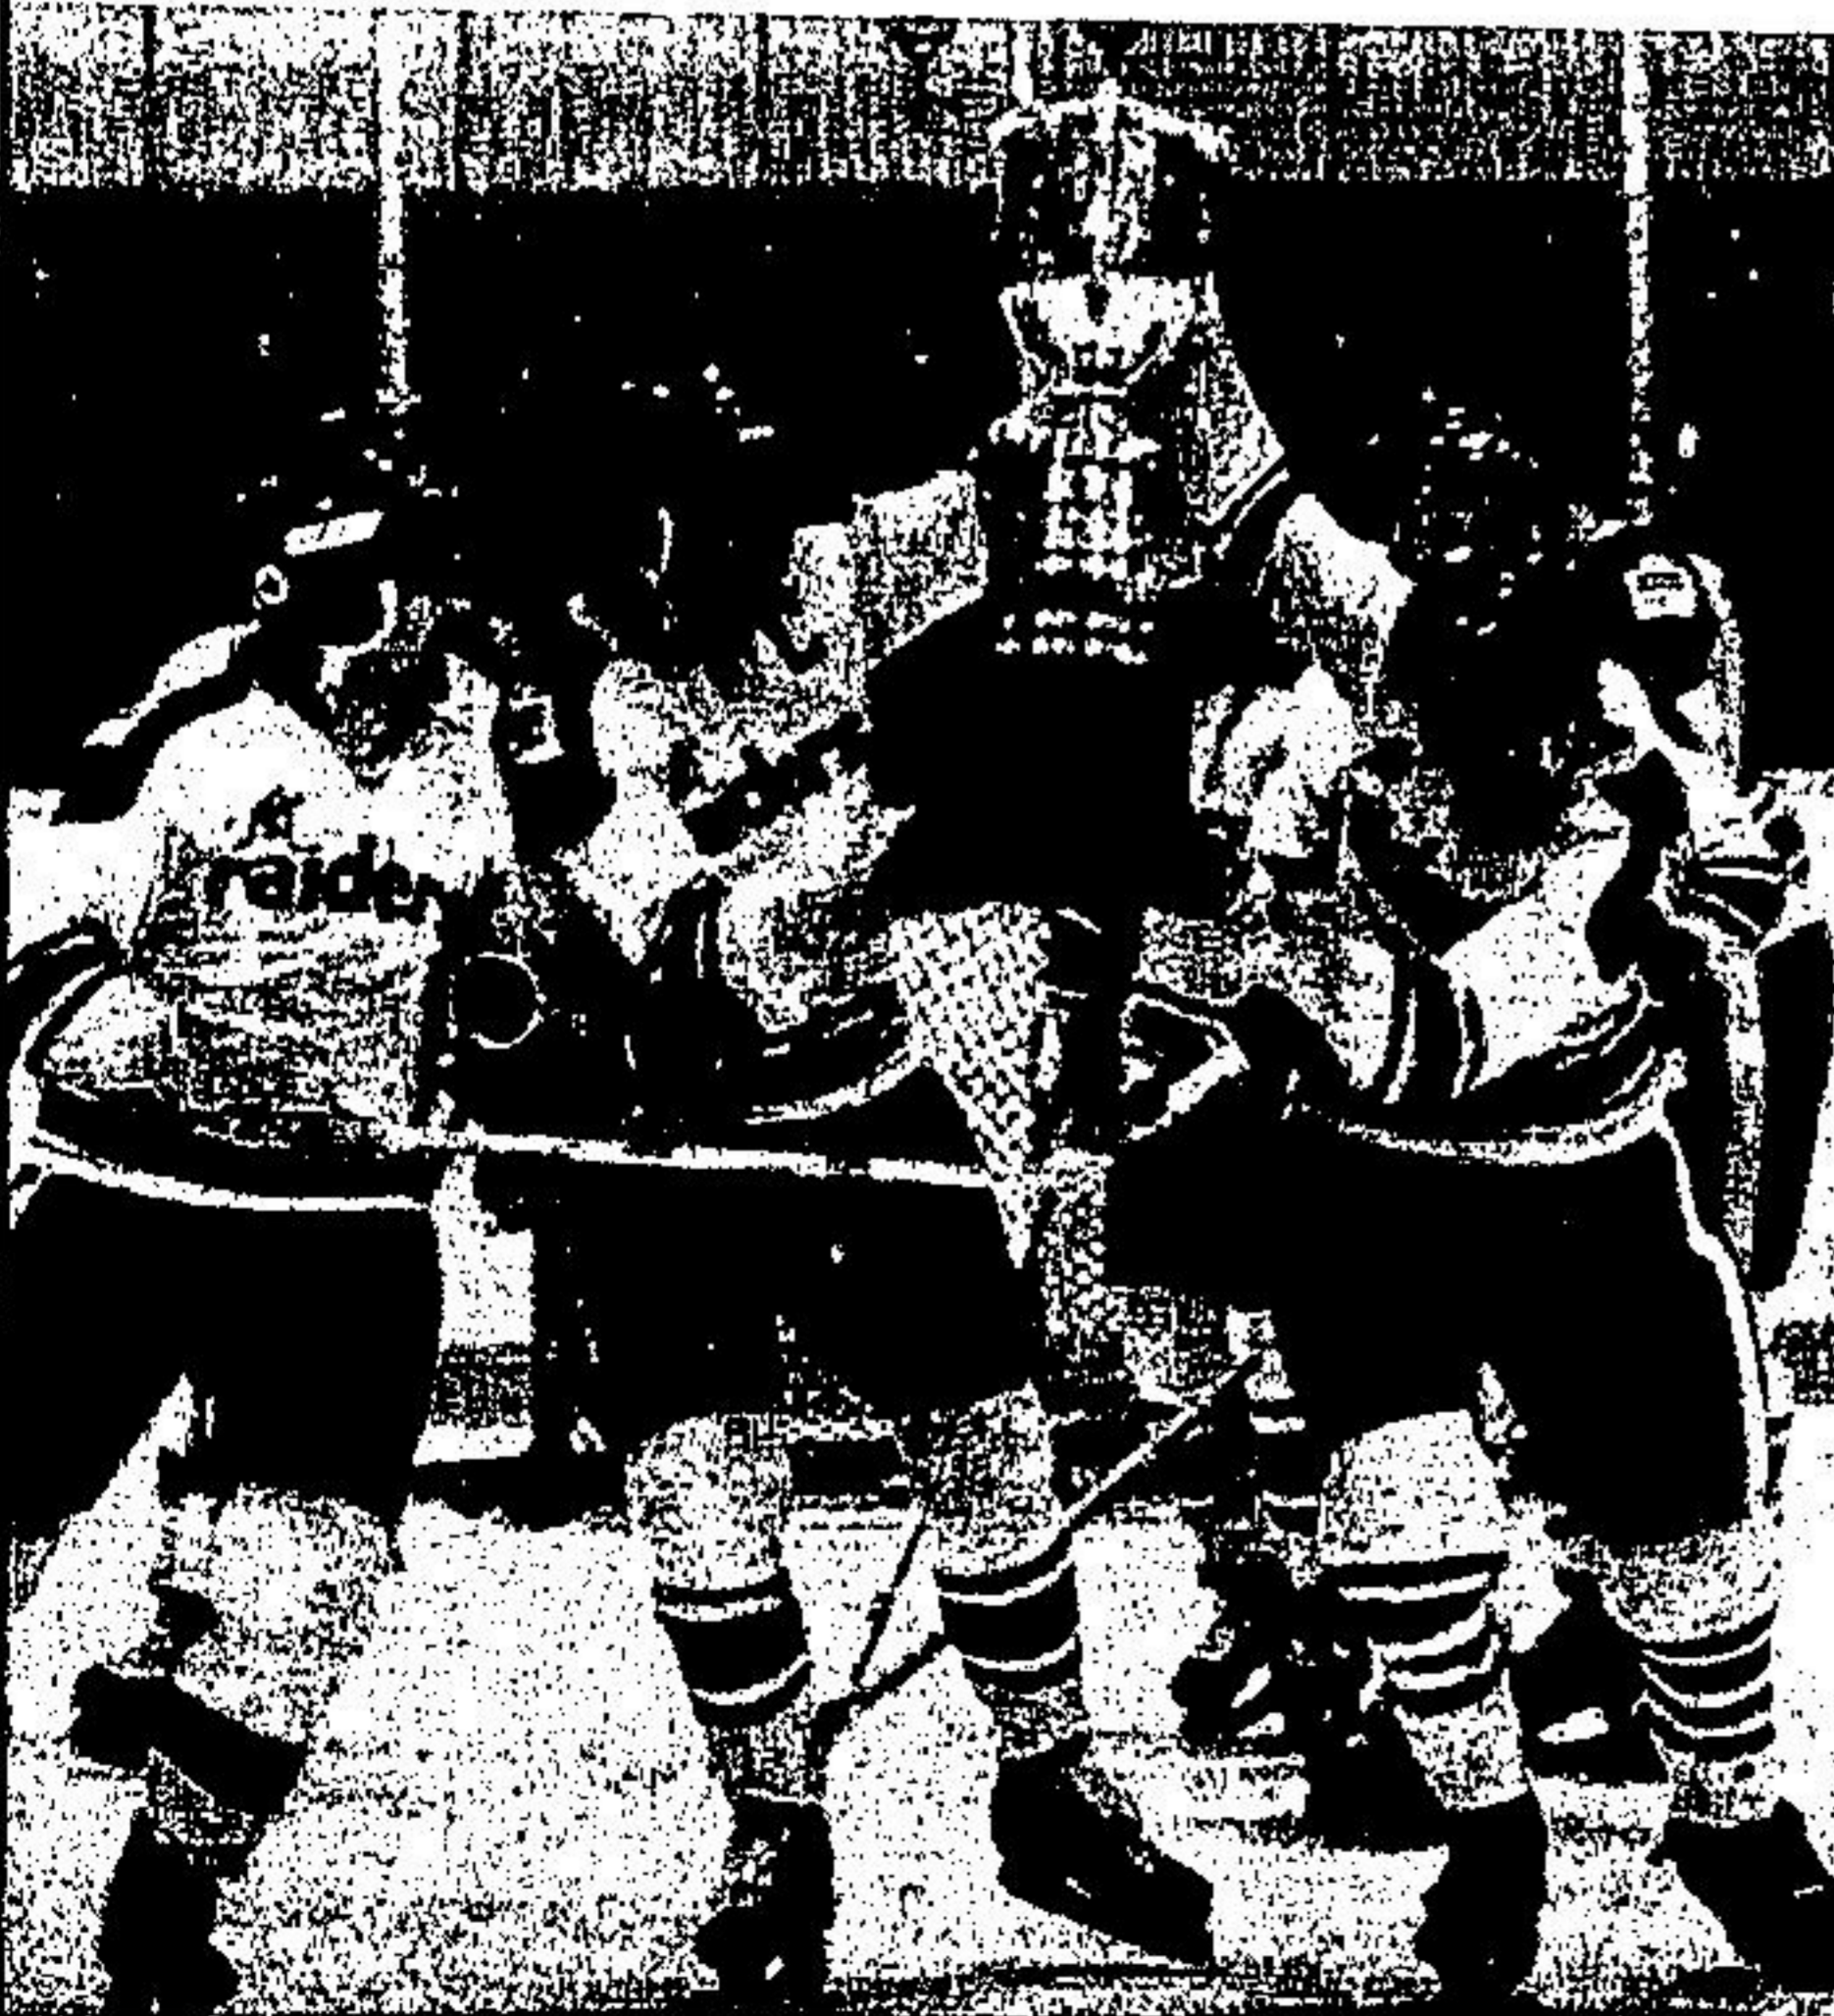

Milton tied the game with 7:41 to play, on a power play. Braund got the winner from Howie and Hurley with just 15 seconds left to go. To make sure, Hurley scored six seconds later.

Georgetown outshot their opposing team 17-15 through the strong efforts of the whole team.

Stu Lang, on the left, and Peter Mueller, in the foreground, along with other members of the Athletes in Action had GDHS students looking toward heaven Thursday afternoon during two assemblies at the school. Five Christian professional athletes competed against students in various sports, between speaking to them about their own faith. Further story and pictures on page 32.

## THE WAY IT WAS

The ceremonial skate around the ice couldn't have been sweeter for these Georgetown Raiders last April 14 when they captured their Intermediate A league championship by defeating Port Elgin, in this game 7-4. It was a great sporting year that had many highlights. This week and next the Herald will be taking a look through the camera at some of the events that made 1979 a year to remember in Georgetown. See more pictures throughout Sports Week.

## Tournaments at home and abroad

An exchange of hockey teams with Depew, New York, will highlight the holiday hockey season in Georgetown. The North Hallon Sports Camp novices and the Al Pilutti minor atoms will play host to two teams from Depew Dec. 28 and 29 here in Georgetown.

The first game of the two-day mini tournament will be Saturday at the Gordon Alcott arena at 3:15, when the minor atoms will play their American counterparts. At the Memorial arena, at 5:30, the novices will take to the ice against their opponents.

Sunday the novices open the second pair of games, both being played at Alcott. They skate on at 4:00 with the atoms coming on at 5:30.

Meanwhile back in Depew, the McNally Construction-Firefighters major atoms will be involved in tournament play there over the Christmas period.

Other teams travelling, during the same time, include the United Fire Safety minor pee wees who are going to the Eager Beaver tournament in Milton. The Standard Products major pee wees will be trying their luck against some tough

competition in the Silver Stick in Bramalea.

The minor bantam Optimist Club team will also be entered in the Eager Beaver in Milton. The DRG Stationary major bantams will head to Simcoe.

At the Eager Beaver tournament will be the Georgetown Labelmasters minor midget team.

The Sunny Acre Farm's major midgets will also be in Bramalea for Silver Stick play.

The Rotary Club Juveniles will play in Orangeville looking for the championship or consolation victories.

## Sports Week Highlights

**Charities** won another game in overtime this week. They beat Dundas 6-5. See page 31.

**Raiders** shut down for three days holidays. June Carson has results of last week's men's section. See page 34.

**Curlers** were the big winners at Sunday night's Gem game. See page 34.
