Take advantage of an excellent home investment opportunity!

Now (more than ever) is the time to make your move to River Run in Georgetown, only a few minutes from Hwy. 427 and 401.

With inflation skyrocketing, and interest rates as high as 15 1/2 per cent, you can be sure that an investment at River Run is a secure and excellent hedge against dollar devaluation.

According to a recent survey, the dollar value of home sales increased in the Halton Region by 27.5 per cent in 1979 over 1978, indicating an exceptionally strong market trend.

Take advantage of an excellent opportunity to invest in a home at 8 per cent mortgage interest rates (to qualified purchasers) and gain equity for the future.

And, you'll love living by the shady Credit River, with the rolling countryside, mature trees, golf, cross country skiing, and convenience to the city by automobile or GO Train.
