

Ladies welcome Jan. 19 . . .

"People had better hurry if they want to attend this one" says Raider director John Clark. The tickets have been moving very well and he's sure a lot of the players will

be on hand for the gala affair to be held on Jan. 19, 1980 at the Booster Club Hall, Gordon Alcott Arena. Starting at 8 o'clock with music by D.J. Dave Smallwood it

should be a very good time. Tickets are only \$5 per couple and can be obtained from the Raider executive. Everyone is welcome, so get your tickets now.

RAIDER RAPS

"PROGRAMS Get your program

Each week Raider fans are offered a copy of the Raiders' official program. The program, like those of most teams, provides some articles of fan interest and the lineup for the game.

This is when the similarity ends - the Raider program is a real bargain of value and information. Included in it:

- A) The fan benefits from 17 opportunities to win merchandise or services, far in excess of the price of the program.
- B) Some ads in the program are redeemable with the merchant for products, again in excess of the value of the program.
- C) The Purchaser could win a trip to Florida at the end of the season.

D) Each program purchased, by a fan for 25 cents sends a donation to a local Boy Scout troop who sell the programs on a commission basis.

E) The team raises a major portion of its annual operating costs through the sales of ads in the program. These funds are raised prior to the team starting the season and represent an excellent guide to the executive as to what kind of an 'economic year' the team will enjoy.

F) Information to fans:

- 1 Updated line-up compiled on day of the game.
- 2 Accurate league and team statistics.
- 3 A coming events information
