Now it's the Law. You can no longer drive without insurance.

The Compulsory Automobile Insurance Act came into effect on December 1st, 1979. Now Ontario residents must have insurance to register any motor vehicle. Drivers can no longer pay \$150 into the Motor Vehicle Accident Claims Fund and register a vehicle without insurance. The MVAC Fund did not provide insurance; it compensated the victim of an accident and made the driver responsible for payment of the claim.

The deadline for car registration renewal is February 29, 1980. To register any motor vehicle you must have a minimum of \$100,000 third party liability insurance. If you want more information on the new Compulsory Automobile Insurance Act, pick up a pamphlet at Vehicle Licensing Offices and Driver Examination Centres, or write to (call collect 1-416-963-1111):
