CARDS OF THANKS

I would like to thank all the people who have assisted me during my years with The Herald. Without you the job would have been impossible. Although I'm leaving to take up a full time position with the Guelph Daily Mercury, I'm not leaving Halton Hills and I won't forget all the friends I've made through the Herald. Maggie Hannah. cot

Beavers attend carnival near Campbellville

Limehouse Beavers had fun last weekend when 21 of them, plus four leaders, attended the District Winter Carnival at Mountsberg. The lack of snow didn't stop them; they were able to skate and didn't want to stop. Their day consisted of a visit to a barn and a bird hatchery, a wagon ride and games. They cooked hot dogs and hot chocolate for lunch and Gord Douglas, our previous District Commissioner, gave them a

talk on nature and then took them on a nature hike.

One of the Beaver parents, Connie Burt, has been coming out to help the Colony. Rhona Scholz acted as cook for Limehouse.

The Cubs also had a fun afternoon. They had 11 boys and three leaders attend the District Cub Like which started at the Limehouse School parking lot, followed the Bruce Trail through the Conservation area, stopped at the caves on the Fifth Line and ended up at the Limehouse Hall for cookies and hot chocolate. Gary Foster has earned his cc-painter and toymakers badges.

Last week, the Beavers had a special treat at their meeting. Frank Hannah, a pilot

with Air Canada, spoke to the boys. The Scout Hut became a 747 and under his direction, pilot Kyle Pinkerton, took us on a flight from Toronto to Montreal. All went well until Kyle inquired as to how to put the landing wheels down. After a safe landing, Ronnie Batchelor thanked Mr. Hannah for his interesting presentation.

"My wife and I love living at River Run"

"After the kids grew up and moved away, we found ourselves having to look after the big, old, empty house. There was the household maintenance, snow shovelling, lawn cutting, exterior painting and repairs - not to mention the excess taxes, heating and air conditioning bills. We thought we could save our backs and use the extra money to travel. We've met friendly people at River Run with the same interests we have, and we just love living by the shady Credit River - with the mature trees and rolling countryside - it's a breath of fresh air!"
