Heritage dinner premier banquet

The Hockey Heritage Dinner is one of Georgetown's premier award dinners in terms of public acceptance and participation. The success of this project can be attributed in a large part to the support given by the businessmen of Georgetown.

Support has come in the form of advertising, participation in sponsorships, purchase of dinner tickets and so many other ways. Georgetown Hockey Heritage council chairman Dave Kentner said "I have worked on a lot of worthwhile projects in Georgetown, some bigger than this dinner, but I have never seen such an enthusiastic response by businessmen."

Some businesses have made major contributions and this has been reflected by the media exposure. "The key to our success has been the willingness of the business community to participate in a manner reflecting the size of their business. The fact that large or small, they participate in what makes it work."

The businesses who have participated in the 1980 dinner, have done so, not out of a desire for recognition but rather because they want the event to succeed.

The hockey community of Georgetown, past and present, thank these people for their support.

Heritage Council makes

The Georgetown Hockey Heritage Council, each year have the enjoyable but difficult task of making the selection of the Hockey Heritage Award winner.

The selection of the award winner is made from a long list of deserving persons and/or organizations submitted by the public to the Hockey Heritage Council. After some careful consideration and deliberation, the Hockey Heri-

age Council was very happy to announce as the unanimous winner The Royal Canadian Legion, Branch 120.

The Hockey Heritage Council are confident their choice was a logical and deserving one, for it is certainly appropriate for the Legion to receive some recognition for the Legionnaires' twenty years of generous sponsorship and countless hours of time spent by

the Legion members support of the Geo Saturday morning league.

The inception of the Georgetown Hockey Heritage Council was in the first awards dinner held in February 1977. Mr. Jack Harrison was the award for his lifetime of involvement with the Raider Hockey Club.

Council has grown in the

The Georgetown Hockey Heritage Council has grown since its inception in June of 1977. The council originated with six members and now has grown to 17 members.

The council is at a comfortable number now, as each member has an area of responsibility and yet the council is not so unwieldy that it

can not function with flexibility. Each year the council invites the most recent recipient to join the council.

The future for the Hockey Heritage Council holds many exciting projects which as the manpower and money become available, can be undertaken. For example: more display cabinets, ac-

quisition of a permanent home for storage and of materials, an efficient system for recording our possessors "Hall of Fame" or in approach to the preservation of our hockey heritage more work on "Lifetime Recognition" of the past participants.
