age Council was very happy to announce as the unanimous winner The Royal Canadian Legion, Branch 120. The Hockey Heritage Council are confident their choice was a logical and deserving one, for it is certainly appropriate for the Legion to receive some recognition for the Legionnaires' twenty years of generous sponsorship and countless hours of time spent by

the Legion members in their support of the Georgetown Saturday morning hockey league.

The inception of the Georgetown Hockey Heritage Council was in 1977 and the first awards dinner was held in February 1978 where Mr. Jack Harrison was given the award for his fifty years of involvement with the Raider Hockey Club.

The second winner, and given his award one year ago, was Mr. Roy Norton Sr. for his many years of time and dedication to the Georgetown Minor Hockey Association.

It is with great pride and satisfaction that the Georgetown Hockey Heritage Council are now able to add the name of the Royal Canadian Legion, Branch 120 to the list of very deserving winners.

### Tickets almost sold

Ticket chairman Bryan Day reports that the 1980 Heritage Dinner is virtually sold out. "There will always be a few tickets which are out but will not be used and we are busy trying to narrow this down to assure anyone who wants to attend, will have the opportunity."

If you would like a ticket to the dinner, call Kentner's

Dairy Bar at 877-1113 and as tickets become available they will be allotted on a first come, first served basis.

The Heritage Council is pleased about the public acceptance of this dinner is so great and thank all who are participating. "We know you are going to have a great time," says Day.

### Council has grown in three years

can not function with flexibility. Each year the council invites the most recent recipient to join the council.

The future for the Hockey Heritage Council holds many exciting projects which as the manpower and money become available, can be undertaken. For example, more display cabinets, ac-

quisition of a permanent home for storage and display of materials, an accurate and efficient system for recording our possessions, a "Hall of Fame" or museum approach to the presentation of our hockey heritage and more work on "Living Recognition" of the past is anticipated.

The Hockey Heritage Council wants to hear from you, the hockey fans of today, and asks that you contact any member with your comments on existing programs, your hockey memories, or any articles of hockey history you would let us display in our cabinets.
