Legion Lines

By Roma Timpson

District Darts, singles and doubles are in Cooksville, Feb. 23. March 1 District team darts will be played. Have you checked the sports board to catch the deadline to sign up? District Crab is in Port Colbourne this Saturday. Always read your sports board as Eric Clarke posts everything there for your convenience.

Guests in our Branch Saturday afternoon were Wes Goodman of Barrie branch, but who lives here, and his friend, Immediate Past President Grant Saunders. Tried to get Wes to transfer here, but he has his loyalties with Barrie. I don't blame him. I've been to Barrie branch on a few occasions and like our branch it is a friendly place to be. "They also had and perhaps still have a pretty good Auxiliary bowling team and if I ever moved away I would be very hesitant to give up my membership here although the Legion would be the first place I'd head to start meeting people in a new city or town. But who knows, Wes? We may

get you yet. This Sunday morning at 10 a.m. will see "future curling stars" in action at North Halton, when our men will attempt to figure out the game with the help of eight regular curlers. They will have lots of support as the wives will be out to cheer them on.

Jim Sommerville will be in your Lounge this Friday evening and, with the dance upstairs Saturday, there will be no DJ in the Lounge. March 8 is the date set for the Andres Wine Tour. We will leave the branch at 3 p.m. to arrive in Winona for the 5 p.m. tour. It is about an hour and a half tour, so about 6:30, we will leave and go to Burlington Branch for a bite to eat, about 7:30, stay there for an hour or so and come home to finish our day out in our branch. Branch and Auxiliary members have first chance to sign up and if room available then friends are most welcome to come along. Please pay at the bar when you sign your name. Room for 44 only - \$3 each.

Visitor from Japan attends service

By WINIFRED SMITH
Herald correspondent
Betty Koperdraad was hostess for the February meeting Wednesday afternoon of the Ballinacree W.I.

Lola Marshall and Eleanor McLean, assisted by Betty Koperdraad, served a delicious dessert of angel cake with pineapple torte.

When all had enjoyed dessert and coffee, the president, Mrs. Slessoraitis called the meeting to order. She opened with a timely poem, then all sang the opening psalm and repeated the Mary Stewart Collect. Eleven members answered the roll call which was to name a food beginning with your first initial.

Several items of business were discussed and dealt with. It was decided that material should be brought for the making of another quilt. A committee was put in to organize a bus trip for the near future.

Lille Given, as convener of family and consumer affairs took over the meeting at this time for the program, she called on Eileen McEnery who took the motto "Health is Wealth and It's Tax Free". Interesting topics pertaining to agriculture, citizenship and family affairs were given by convenors. Mrs. Given asked all to give a local current event. The program ended with a contest. The meeting came to a close with the singing of O Canada.

Mr. and Mrs. Rob Witmer were welcomed to the service at Ballinacree United Church on Sunday. Mr. Witmer is studying to become an ordained minister and then intends to return to Japan, where he has been a teacher.

Previous to his talk on Japan, Mr. Witmer played on the guitar and sang a lively little spiritual song in Japanese. His wife accompanied him by going through the actions to the song. The congregation then joined in by singing the verse. He related his experiences with the Christian young people of Japan and said the rural churches were very small, with sometimes just one family attending. They have, he said, in the area in Japan where he was a gathering up of the children once a month for Sunday school.

The junior and men's choir both gave musical selections on Sunday which added to the worship service. Next Sunday the Sacrament of baptism will be celebrated, also the 4 newly appointed elders will be inducted into the session.

We welcome home Mr. Paul Schwarz who has returned from a holiday in Germany where he visited his parents and other relatives.

A happy family gathering took place last week to honor one of our esteemed senior citizens, Mrs. Ada McLean.

Firefighters were also called out to assist when a furnace malfunctioned in a home on McIntyre Crescent last Tuesday. The malfunction caused furnace oil to be spilled on the floor and the fire department helped with the cleaning up.

Cubs attend winter camp at Camp Manitou

By MRS. F. HANNAH

The Cub pack was very pleased at the end of January to be invited to join the 5th Georgetown 'A' Pack at their winter camp which was held at Camp Manitou.

Eleven of our boys took advantage of the opportunity and leader Robert Foster accompanied them. The weather was good, the food was good and the boys enjoyed making woggles and especially the time spent outdoors which included passing a couple of badges. Some Cubs have recently earned badges: Gary Foster - black star; David Ruggle - house orderly and Alan Scott - tawny star.

It is Cub Kar time again in the District so the Cubs invited their fathers to come to a pack meeting to watch them have Kar races with their newly-bought Kars. These Kars are built from kits with the help of the fathers. The boys also were encouraged to bring a friend with them to that meeting. The result was that everyone went home with a better idea of how

to improve their Kars for the District Kar Rally which was held last Saturday in Acton. Twelve boys entered the District Rally. The top Limehouse Kar belonged to Gary Foster with eight out of a possible nine points.

The Scouts attended the District Winter Camp at the end of January and had a great time. The snow sculpture and tobogganing had to be cancelled but all other events took place as planned. The Limehouse boys came in second in the log-sawing contest so we are quite proud of them. They spent one meeting recently skating on leader Dave Shrubsole's pond and then watched some films.

The Scouting movement in Limehouse was saddened to hear of the death of Don Brown, one of our Beaver parents. We extend our sympathy to Joan, his wife and to Jason who is in the Beaver Colony. Don was very active with the Group Committee helping with the Scout Hut improvements and paper drives in particular and many other things in general.
