Halton Hills Jills hold club meet for pre-competitors

The Halton Hills Jills held their annual inter-club meet Saturday at Georgetown District High School.

The club was divided into three teams, with all the gymnasts in the pre-competitive class competing. The Ontario Gymnastic Federation (OGF) group demonstrated.

The three teams were the Gremlins, the Grinches and the Goblins. Members of the

winning team were Faith Richardson, Trine Fisker, Norina Andrews, Carol Early, Lessa Frank, Christine Shirk, Natalie Andrews and Kendryn Hutt. O.G.F. demonstrating members of the team were Gail Eastwood and Jenny Gallagher.

The Jills will host an all-Halton Hills meet for pre-competitive and recreational gymnasts, sponsored by McDonald's, on March 8.

The Jills competed for the first time on some new equipment they purchased recently. The club is now looking for a place where the equipment can be set up and left set up, for practises. (Herald photo by Lori Taylor)

Jills need new quarters

The Halton Hills Jills gymnastic club has some new gymnastics equipment and they're looking for a place to put it.

The Jills were able to raise \$5,000 last year through the "Cartwheels for Cash" program and through a chicken barbeque. This amount was matched through a grant from Wintario and the club was able to buy some new equipment.

The Jills have purchased a new vault runway, a new vault, a new foam floor mat, and small crash mats which are to be put in the Rose Room at the Georgetown

Memorial Arena. Unfortunately they don't have enough room for the new equipment.

So, now the club needs a place to put this equipment, where they can leave it set up for practises. Joan Aggiss, one of the people behind the Jills, said the club would like to thank the people of Georgetown for helping to raise the money for the equipment. But now the club needs a place to put it, where they can leave it set up all the time. They need a space about 120 feet by 60 feet, and anyone having this kind of space available can contact either Mrs. Aggiss, or club president Marg Lamont.

Rose Milk gives your skin more softness for less money!

Rose Milk SKIN CARE CREAM

This winter, give your skin the moisturizing protection of Rose Milk Skin Care Cream. Rose Milk restores the natural, silky smoothness that dry, cold weather takes away. And because Rose Milk is absorbed quickly, it's never greasy. Take advantage of the unique skin-softening benefits of Rose Milk, with this special 35¢ off coupon.
