

Get into the swim of things early

The instructional swim program is going very well this session, even though the number of participants is lower than in the fall session.

The Halton Hills Swim Team is very active this session and has been going to monthly meets as well as a few special meets in between. The next major event for the team is the hosting of a swim meet in Georgetown on Sunday, March 2, between 8:00 a.m. and 12 noon. If you can give some time to assist in the running of the meet, please talk to the coaches at the pool or call Ted Elson, president, 877-1276, after 5:00 p.m.

The Red Cross and Royal Life Saving Societies ran a Water Safety Instructor's School, in conjunction with Halton Hills over the past two weekends at the Acton Pool. There were 24 candidates on the course and all were successful in achieving their certification.

Mary Lynn Morrow and Beth Stewart both successfully completed this course.

Instructors and guards of the past, the town of Halton Hills and surrounding areas are interested in getting you back involved in aquatics. We will be offering special re-qualification clinics and swimming instructor courses

for those people over 21 years of age. The Recreation Department will be offering re-qualification courses for those individuals who have held the Bronze Medallion Award in the past. The courses will be in Acton and/or Georgetown, as follows:

Acton Indoor Pool on Thursdays, March 13, 20, 27 between 7:30 and 9:30 and at the Georgetown Indoor Pool on Wednesday, March 12, 19, 26 between 6:00 and 8:00 p.m. The fee for each course will be seven dollars per person (including award fee).

In the spring session we are hoping to host an adult

only instructor course. The participants must have a current Bronze Medallion and be 21 years of age or over. The location for this course will be determined by the response received by the Recreation Department

(877-5185, Ext. 60) and could be held in Halton Hills, Brampton, or Caledon. The course will run once per week for 11 weeks with one or two Sundays if necessary.

This is your chance to requalify for a couple of

awards and possibly become reinvolved with swimming.

If you would require any further information on the above or have any suggestions or ideas for the swimming program, please contact Glen Campbell at the Rec. department.

Major atoms could win playoffs

The McNally Construction Firefighters major atoms

could take their best of five zone playoff series with Fort Erie there tonight. A win will

mean a clean sweep of the OMHA playoffs.

Saturday at Memorial arena, the atoms won 6-4. In Fort Erie, Sunday, they won 5-3 to give them tonight's

chance to move on.

If necessary the two teams will play here in Georgetown Saturday at 5:40 p.m. and in Fort Erie Sunday.
