**TAX TIME GOT YOU IN A SQUEEZE?**

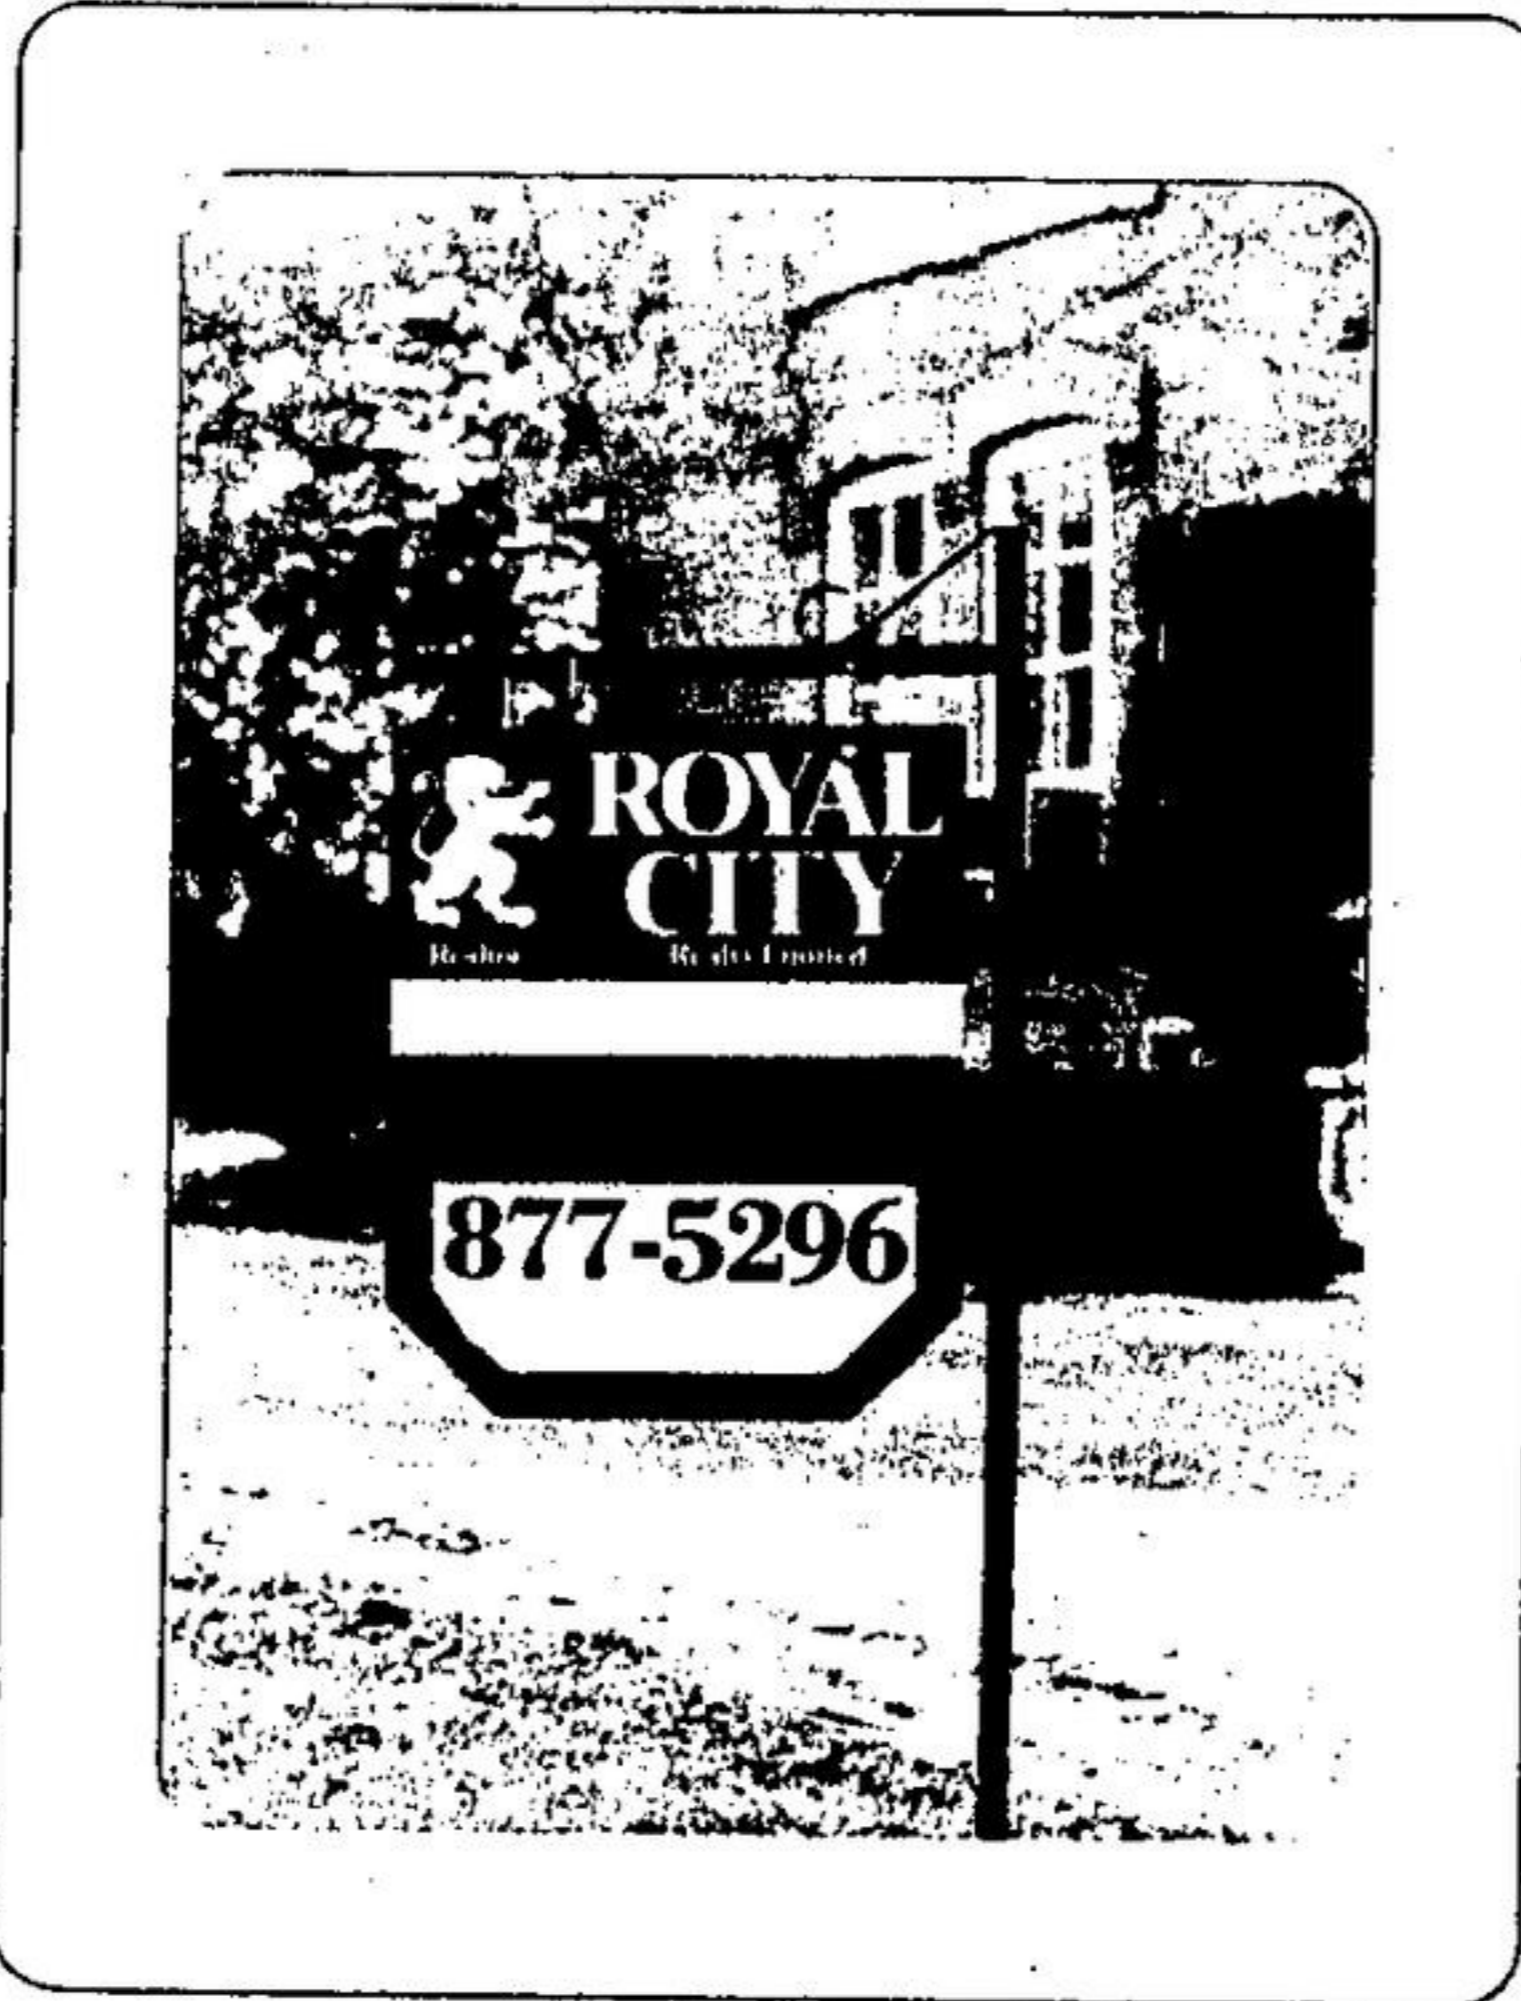

If tax time puts you in the squeeze, remember, last year the trained specialists at H&R Block took the pressure off for over three-quarters of a million Canadians by preparing accurate income tax returns at an average cost of only \$17.75. That's a good return for the money. And a lot less pressure.

This year be sure.

**ROYAL CITY Realty Limited**

Success in real estate is simple . . .  
have proven productive salespeople - no others!  
A cliché but true.  
What isn't so simple is attracting them.  
Royal City Realty found a way . . .

In 1977, we initiated a new concept of employee remuneration which rewards only successful salespeople. Poor producers are better off working somewhere else - and they are! This is indeed a radical change for the real estate industry with its history of "hire anybody because they might sell something" approach.

You can see why salespeople find Royal City new and exciting. But more important, to clients of Royal City Realty this obviously means a level of service unequalled by other brokers.

The reorganization of 1977 saw the Guelph office grow by leaps and bounds, as the city's top agents moved to Royal City. A Fergus branch was opened. It flourished as well. Almost immediately Royal City Realty became the local sales leader by a wide margin.

An Orangeville office was also opened in 1977. It grew from a four person office to over twenty in a few months. The concept was working! The best salespeople wanted to be with Royal City.

Soon a Shelburne branch was opened to complement the Orangeville office. Its success is evident to all who count the Royal City signs in the area.

The natural flow of business between Brampton and our Orangeville office prompted the creation of "Royal City Brampton" a few months ago. It's still small but growing. Royal City signs are springing up there too. As the best in Brampton are attracted to the Royal City system, our clients there, too, will experience the benefits of working with professionals.

Late in 1979, Royal City Realty strengthened its first place position in the Guelph area by acquiring Coachlight Realty Ltd. This brought to about SIXTY, the number of Royal City agents serving the Guelph-Fergus area. The result . . . sellers who list with Royal City receive more selling effort directed at their property than any other broker can provide; buyers have a far greater selection of properties from which to choose. Our clients gain. And that's good business.

The Royal City Realty success story keeps on growing . . .
