1980 PROVINCIAL SENIOR CURLING BONSPIEL STEERING COMMITTEE

Members of the bonspiel planning committee have been working since the 1979 championship was over. Here they go over some final details in preparation for this weekend's championship at North Halton. Left to right, they are Bill Kirk, accommodation chairman, Mac McLean, committee chairman, Hazel Dumper, Ladies Auxiliary President,

Harold Badham, branch president, Murray Ezard, ways and means chairman and Jim Hayes, entertainment chairman. Missing are Gord Campbell, curling co-ordinator and Tom Bush, publicity.

A message from the Committee

On behalf of Branch 120 and the Provincial Senior Curling Committee, I would like to take this opportunity to welcome you to the Town of Halton Hills (Georgetown) and the 1980 championship.

We have a full four days of curling scheduled in addition to our opening ceremonies; a reception; a

banquet; followed by the awards presentation on Sunday.

While this schedule leaves very little time for other endeavors, we do hope that you will be able to tour the area and talk to the business people and citizens of the town. We are sure that you will enjoy the scenery and also the hospitality of the town of Georgetown.

We sincerely hope that you enjoy your visit and we wish you success in the bonspiel.

Yours in comradeship,
 M.E. (Mac) McLean,
 Chairman,

Provincial Senior Curling Committee.
