

Rivier will stay put

Halton Regional Police Sgt. Frank Rivier has been granted a permanent injunction against being transferred more than 15 miles from his home in Milton.

Sgt. Rivier sought an injunction to prevent his being transferred from Milton to Burlington. He said that the act which originally established the regional police force said that members of the force of the area municipali-

ties would not have to accept transfers to areas more than 15 miles from their home.

Community Relations Officer Sgt. Norm Ryall said the decision appears to mean that those police officers who were on an area police force when the regional force was formed do not have to accept a transfer if it doesn't include a promotion.

One of the conditions of officers joining the force since

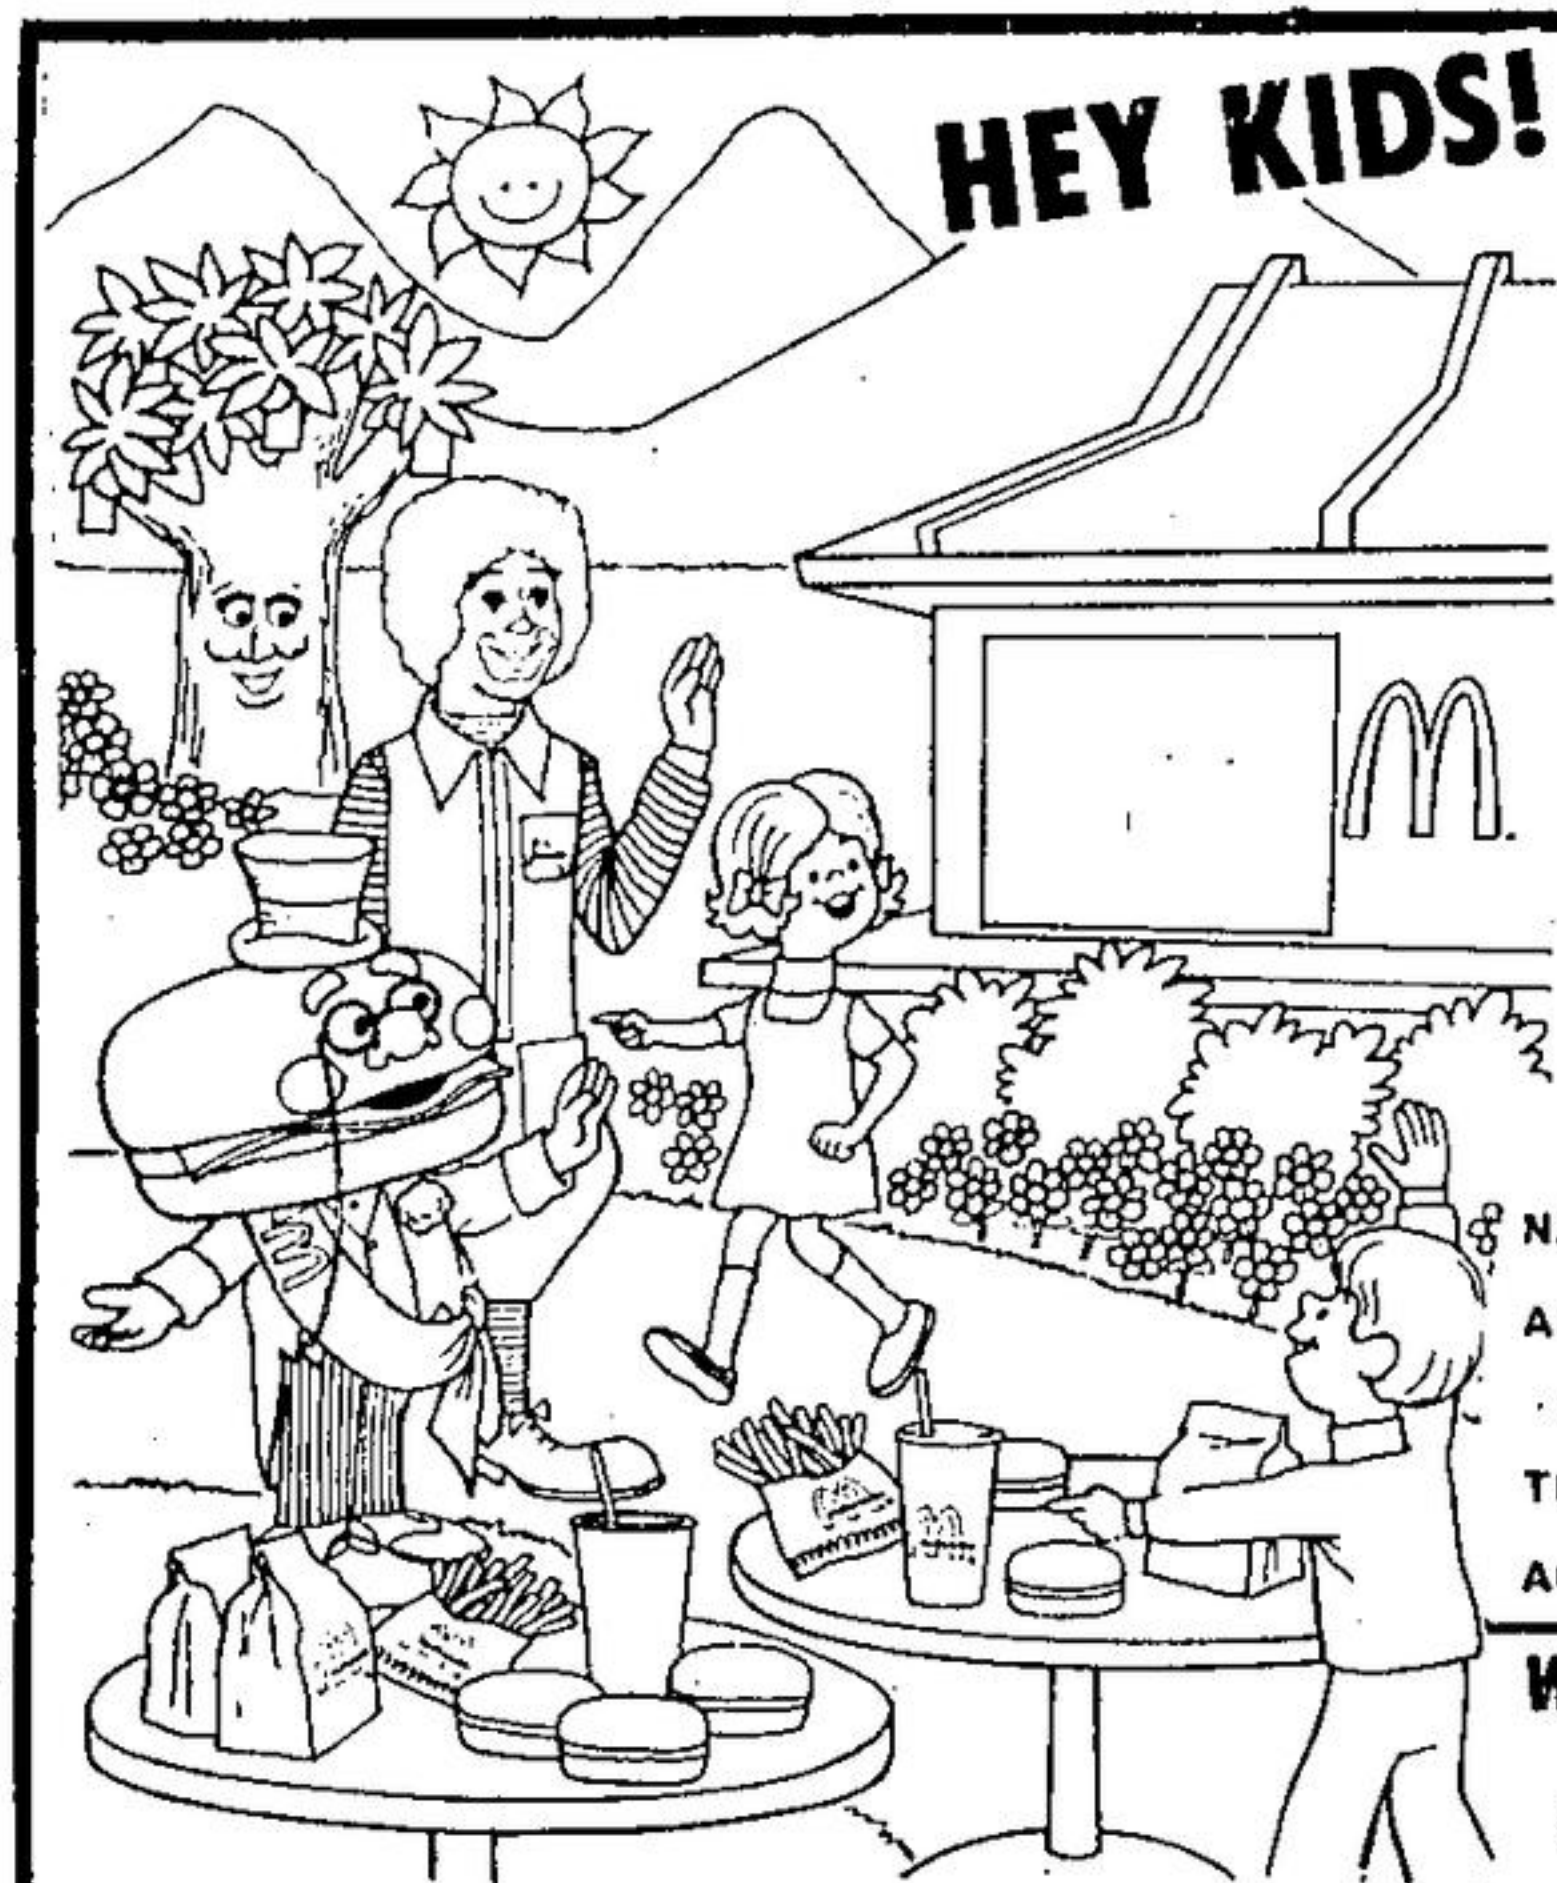

its formation as a regional force was that they must be willing to work anywhere in the region, Sgt. Ryall said.

Officers in line for a promotion

must be willing to be transferred to the area where an officer of that rank is needed, he added.

Paper drive

The First Norval Cubs and Scouts will be having a paper drive in the Norval and Terra Cotta area this Saturday. Art Rice, a spokesman for the group, said that last month's drive netted 4,760 pounds of newsprint. The drive is expected to start sometime between 9:00 and 9:30 a.m. on Saturday.
