

Smile, this one's for the paper. Mothers were on hand to see their children skate and get a few pictures for the scrapbook.

bow out**

Continued from page 27
Coach Blundy seemed to do the best with what he to work with.

Nothing can be taken away from the best team in the league, Dundas. "They played the same games we did," said Tonelli. However they had a few days rest between beating Orilla in their first and only playoff series before meeting Georgetown. They had a bye in the first series for having finished on top of the league, two places higher than the Raiders.

"I wish them (Dundas) good luck" in their series with the Northern Ontario champs from Timmins, said Blundy. "They are representative of our league. If they do well that speaks well of our league."

Plenty of things could have been different for the Raiders this year, admit all but, that will have to wait.

For the summer they can say "they did themselves proud" says their coach. Next year will be a whole new ball game. The pressure will be off the locals and be shifted to the new defending champs from Dundas. And they will find that out, if from no one else but the Raiders.

"When you're the best everyone tries a little harder against you, like the Canadians," says Blundy.
